Inspiring Testimonials from Hyojeong CheonBo Special Event

Heartfelt and inspirational testimonials written by attendees from last month's CheonBo event demonstrate God's Grace and the power of prayer.

"I came to the Cheonbo event to represent my family and offer a prayer wish card. My Dad needed a triple bypass and had recently been told he would have to wait six to eight months which felt like too long to wait. So I did a prayer wish card and offered multiple sincere prayers in the prayer room for the operation to be moved forwards. A few days after I returned home we got the news that the operation had been moved forwards to a few weeks away. I have always wanted to have an experience that would help secure my faith in God and I think this might have been it. Praise the lord!"
