Vice Regional President of Greater China, Rev. Ker-Shung Lee and the President of YSP-GCR Mr. Hsin-Yu Hwang gave the address to encourage the graduates. There are 70 people including Seonghwa students, parents and leaders attend the ceremony.

Eight trainees from Taiwan, Hong Kong and China were completed 1-year training program. The trainees shared that they can find their faith and identity through STF program, especially through MFT course. Four trainees will continue the second year STF training. The parents can feel the change and determination from their children through STF training, some of them shed tears with touched heart.

The whole ceremony ended satisfactorily under the prayer and determination of the trainees with their family together. The second term STF-GCR had begun on Sept. 13 and 11 trainees joined this training program.
