Safe Conversations Webinars | With Generational Healing

Sept. 11 @ 6PM (EST)

When you CONNECT with others, then you can COMMUNICATE. We'll show you how to begin sentences so the conversation doesn't blow up and how to respond in ways that provide safety. In the end, you'll be able to discuss difficult topics without fear or conflict. Any relationship can be transformed. Safe Conversations can show you how.

"Marriage Works" | Sept. 14 with Debby Gullery

The next session of Marriage Works will cover the 4 "F" Words in Marriage.

Improving the relationship between husband and wife is important because it has a positive effect on the parent-child relationship. Even more importantly, it positively affects the

children's view of the Blessing. Conversely, a less harmonious husband-and-wife relationship negatively impacts both their relationship with their children as well as the children's view of the Blessing.

The Gift of Experience | Myrna Lapres

The Asaro ethnic group in Indonesia and Papua New Guinea has a beautiful saying: "Knowledge is only a rumor until it lives in the muscle." Having knowledge about something is a great

start but moving that knowledge into practice is when it comes alive. We can move what we are learning from our heads to our hearts through our hands with practice and experience...
