What is 51+ Matching Connect?

The **51+ Matching Connect** is a virtual meeting to create an opportunity for First Gen Singles who are at least 51 years old to connect with their peers. Our hope is to empower individuals on their journey of seeking the Blessing of our True Parents.

When and Where?

This virtual meeting will take place on Zoom on Saturday, **December 17th**, 2022 from 10:00 AM to 1:00 PM Eastern. (It can go up to 2:00 PM if necessary.)

How Much Does It Cost?

The meeting is free, but every participant must register in order to receive the link for the meeting. To register, please click [here](#).

After registering, a confirmation email will be sent to the registrant's email address. Registrants should use the same email address when joining the meeting on the 17th.

Any Other Details?

The meeting will be in English. The Blessing Ministry will not provide interpreters. Non-English speakers who need an interpreter should find their own. Those who use an interpreter should know that:

1. Interpreters do not need to register for this meeting
2. Interpreters should not join the meeting as one of the participants
3. For a better experience, your interpreter should sit next to you during the meeting
4. If your interpreter is in a different location, you can call your interpreter on the phone and put him/her on speaker so that he/she can follow the conversations

If you have any questions, please send a link to bfmadmin@unification.org

With gratitude, always,

It all starts with a vision.
What's your vision for your family?

"Marriage is more than a simple coming together of a man and woman. It is a precious ceremony of commitment to carry on God's work of creation. Marriage is the path by which a man and woman become as one, create new life, and establish true love. Through marriage, a new future is created: Societies are formed; nations are built. God's world of peace is realized with married families at the center. It is in the family that God's Kingdom of Heaven is brought about." – True Parents
