Re. : Information Concerning the Spirit World and Physical World Blessing Ceremony, 2015

May our Heavenly Parent and the True Parents' blessings and love be with all regions, mission nations and providential organizations.

The Spirit World and Physical World Blessing Ceremony is another grace offered by True Parents, a grace through which an earthly spouse and a spouse who ascended to the spirit world can, through the blessing of the True Parents, become an eternal blessed family and live as a couple.

The Spirit World and Physical World Blessing Ceremony for year 2015 will be held as outlined below. Please inform all members of this workshop so that many members can attend and receive abundant grace.

Please note that this official memo is intended for members living outside of Korea and Japan.

*The environment of those spirits who are receiving the Spirit World and Physical World Blessing becomes better. From April, 2015, we are able to conduct the Spirit World and Physical World Blessing Ceremony without either a holy robe or a blessing ring for the spiritual spouse.

*However, regarding the holy robes: the holy robe for the earthly spouse is still necessary when you conduct the 3-day ceremony in your family after the “Workshop for Starting Family Life as a Spirit and Physical World Blessed Family.” (It is best to prepare a holy robe for the spiritual spouse; however, it is possible to conduct the ceremony without the holy robe for the spirit.)

2) Blessing Fund: This is according to your national groups

3) Points to Consider

① Those members who attend the Spirit World and Physical World Blessing Ceremony need to bring the donation of gratitude.

② If circumstances prevent for the person to receive the blessing from participating in the ceremony, a representative (child of direct descendant, spiritual parent, church leader) can attend on his or her behalf.

③ Additional registration fee for the representative (25,000won) will be required.

④ Holy Wine Ceremony

- In case you are attending: You drink one-half of the holy wine and the spiritual spouse will drink the other half.

- In case of representative’s attendance: A representative must put the holy wine on their finger and then place it on the photo of the earthly person. If this is done, then the spirit will drink the rest of the holy wine. However, this is conditional, so after the Spirit World and Physical
