Presenter Julian Gray: Hello everyone, A warm welcome to Peace TV's weekly update for the third week in April 2015. This weekend on Sunday is the 56th True Parent's Day, the very significant Day marking God's establishment of The True Parents, when He engaged Father and Mother to each other just two weeks before Their Holy Wedding. Coming as the Representatives of our Heavenly Parent, True Parents have lived Their Lives focused on saving all people from sin and suffering. We are called to resemble Them. This is a good goal for us to have too. With this week's update, we bring you an array of news with this ideal in mind. I hope that watching this presentation will bring you some inspiration for the week ahead.

The first day of the third month by the lunar calendar, the heavenly calendar, is the 56th True Parents' Day. On that day in 1960, True Parents' engagement ceremony was held; and, fifteen days later, on the 16th day, by the lunar calendar, Their Holy Wedding was consecrated. The following year on the 1st day of the third month by the lunar calendar, the Anniversary of Their Engagement, True Parents designated the Day as Parents' Day; and, in 1994 it became known as True Parents' Day.

This year, churches worldwide, including Cheon Bok Gyeong, the headquarters church in Korea, are celebrating this Holy Day.

True Mother speaks:

Fifty years marks a golden anniversary; interestingly enough, 2020 would mark True Parents' diamond wedding anniversary. You should think about what kind of mind-set you need to have in welcoming this Day.

Because of True Parents, you are the first group of blessed families in history. Thanks to True Parents, you welcomed Foundation Day and have all gathered in a position where you could register as citizens of Cheon Il Guk. Even though there are seven billion people in the world, you are the only ones who know of this amazing universal and cosmic great secret. How should blessed families spend their entire lives as people who have welcomed the returning Messiah and received the blessing?

You are in the position of the first and last ancestor. The ancestor position. There's a saying that that happiness increases if it is shared with others. You should share the things that you know with others. You must inform the world's people. You should reveal the True Parents to them.

Please become proud Unificationist leaders that attend True Parents and practice the Word! (applause)
