God created mankind to experience **eternal joy and happiness** with His true sons and daughters.

**Adam and Eve** should have inherited the true love of God, **become True Parents and thus become the origin of the Kingdom of God**, the ideal world of love. But they were tricked by Satan into misusing their love organs and thus inherited from him **false love and false life**. Instead of creating God's pure lineage they created Satan's **corrupted lineage** and thus caused a miserable history. **Cosmic winter began**.

When **Jesus** came he was not supposed to die on the cross, but to find a bride, have sinless children and thus create **God's lineage** on the earth. Jesus and his bride - as the second Adam and second Eve - were supposed to become the True Parents of all mankind. Thus they should have become the **origin of the Kingdom of God**. However, because of the disbelief of the people, Jesus had to go the way of the cross. God's ideal was not realized. **Cosmic Spring could not begin at Jesus' time**.

**True Parents  
(Rev. and Mrs. Moon)**

**Christianity is waiting for Jesus** to come back **on the clouds**. 2000 years ago Israel waited for Elijah to come back in a similar way, but **John the Baptist** came instead, on behalf of Elijah. The expectation of a supernatural return was not fulfilled. **It is the same today. Jesus will not come from the sky**, because the Messiah and Saviour needs a physical body. A person with a physical body has to come on behalf of Jesus, just as **John the Baptist came on behalf of Elijah**. And this person has already been born on earth: It is **Rev. Moon**. **Jesus anointed him** to carry on his mission to establish God's Kingdom. Together with his wife he stands as **True Parents of all humanity**. Through them, for the first time, true love, true life and God's lineage come into this world. **Cosmic spring has arrived !**

**Come to worship with us** at Sunday service of the Unification Church/Familyfederation/FFWPU **every Sunday at 10.30am**. Thornton Heath, 2a Haslemere Rd. --- Take **Bus 250** that goes from Brixton to Croydon. Bus Stop is **Bensham Lane** (2 stops after Thornton Heath Station). Then walk into Bensham Lane! There take next turn right. The flat building on the right is our place of worship!
