

## True Mother: If you practice the principle of being humble when dealing with others, people will come to you

Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father, True Mother and Sun Jin Nim:

True Father: "Restoration history is recreation. This means that Abel has to give everything to Cain. When you give yourself totally for the sake of Cain, then they will be moved and inspired by heart to naturally follow you, respect you and lead other people to you. Unless you have a true Cain, you are not a true Abel. A true Cain is one who voluntarily comes forward and treats you as an elder brother [sister], not by force, but by his [her] choice. Then your true Abel position is secure." [1]

The ideal world will not be built by force, but by true love. People can only be brought closer to God by true love. They need to be attracted and moved by a higher standard of love. Those who attract and move others by a higher standard of love, are true Abels. Thus by true Abels' pulling power of true

love the whole world will come back to God. But for this to happen, we all need to become true Abels. We all need to advance in heart, so that we can attract and move more and more people.

The true Abel is certainly not the one who demands that others must follow or obey him or her. It is the one that people want to be with, whom they want to support, out of their own desire. Thus the true Abels will not force or pressurize people to do this or that. They simply invest heart and love without expecting anything in return. Thus they win the heart of people:

True Father: " At the Summit and AULA Conferences I am the founder, but I invest everything and do not ask for credit. The participants then naturally want to respond to me. In the position of Abel I have been giving to America, Russia and China. In turn they will feel indebted to me. I never go out and say, "I am Abel, so you must serve me." There is no such phrase in the history of restoration. God doesn't want that." [1]

God does not want that, because such an attitude would lead to big failure, as True Father explains:

True Father: " Even our missionaries in the field may have a wrong concept. One of the major reasons that our foreign missions have not improved or really developed is because of this wrong concept and attitude – thinking that your people have to follow and respect you." [1]

If we think we are Abels, for this reason or another, and therefore simply ask people to respect and follow us, then we only put people off. We will certainly not bring them closer to God, because that is not the

way to win anyone's heart:

True Mother: "If you practice the principle of being humble when dealing with others, people will come to you – in fact, they will flock to you! If you emphasize your pride and position, they will leave you and not respect you." [2]

To win people's heart, we need to be humble. We are not humble if we just turn up and demand authority and respect from them, because we think we are better than others, in one way or another. That is not the mindset of a true Abel. A true Abel pushes others up, and pushes himself or herself down. That is true humility. And that is what attracts and moves people. That is what leads to the world of love and peace:

Sun Jin Nim: "If you are practicing true love, it should not be in a spirit of competition; rather it should be with a heart that hopes and acts so that all can be brought to heavenly completion. True happiness is not when you win and someone else is at a loss. In True Parent's heart, we all must win and achieve victory as one family under Heavenly Parent. Can you imagine an environment that practiced this level of true love; this is Cheon Il Guk. If we are to realize it, we must practice the way of true love in all we do." [3]

If we practice true love, we are true Abels. And God can use us and bless us. Through us He can pull the people and establish His Kingdom of love and heart.

Love from Bruno
