

## **True Father: Heaven is where you embrace everyone. It should not take our whole life to accomplish**

Anyonghaseyio, dear brothers and sisters!

Here again some inspiration, based on the words of True Father and True Mother:

True Father: "... you have to make... His [God's] heart your heart." [1]

In order to do that we first have to clearly know what God's heart is all about. That is crucial:

True Father: "Many people accuse God, saying, "Look, God! Look at how evil that person is and how unworthy he is of Your love!" Yet, God replies, "Is that so? Well, I will still embrace him." That is the nature of our God, our Father. We have to ask ourselves a question: how much do we resemble God, our Father?" [2]

As we inherit God's heart, we will not blame or accuse anyone. Rather we will forgive and embrace them and pray for their blessing, no matter what they do or have done. We will accept, forgive and embrace them just the way they are, not asking them to change first. Our whole focus will be to love them the way God does, unconditionally, never changing.

As long as we want them to change first, before we can embrace them, we are certainly not in line with the way God loves. In fact, we are far from the standard that God wants us to achieve:

True Father: "I was whipped brutally while walking this path. Sometimes just thinking of what they did to me filled me with indignation. When I felt that way I just wanted to smash them all. But when I thought of God, I pitied my enemies. I knew that God still persisted in His affection for them and I resolved to love them more." [3]

True Father: "If God had cursed fallen human beings, their way for the future would have been blocked. But God did not do that, and hence the hope of salvation has remained throughout human history. I have inherited this tradition and this heart of love; therefore, I prayed for my enemies, even though they hounded me to the point of death. I filled their cups with God's blessings. I am praying even now for God to bless them. This is my teaching as the teacher of the Unification Church." [3]

And it must not only be our teaching as well. It must be our constant practice, our unique brand, where people can recognize us: True Father: "What about you? Do you also embrace good and bad together? When you have the spark of true love, it melts and purifies all evil things. Jesus told us to love our enemies. He forgave the Roman soldiers who hung him on the cross, but would you do the same? If you were treated so evilly by someone, could you forgive him? This is the secret. When evil is forgiven and embraced, it is eventually melted and purified." [2]

But for us it should not be a secret at all. We should know that the way to drive evil out of this world is by embracing those who do evil, without looking for excuses. As long as we look for excuses, we are not in line with the love of God at all:

True Father: "As members of the Unification Church, we must love everybody. First we must love our enemies, whether some personal enemy or some enemy on the family level. We must love them more than anybody else. The same is true for the country-a country must love its enemy country more than any other country. Otherwise we cannot go to Heaven because Heaven will reject us." [4]

And certainly we cannot build the Kingdom of Heaven if we are unable to love everyone, good and evil alike:

True Father: "The true dispensation cannot appear on earth unless an individual, family, tribe and nation can practice the principle of loving their enemy. Until such a nation appears, you cannot talk about the Kingdom of God on earth." [5]

The true dispensation can only happen, if more and more people learn to love beyond all kinds of barriers in this world, no matter what these barriers may be. That is the only thing that will make the real difference and will create peace in this world, on all levels:

True Father: "The True Father and True Mother have committed their lives for the sake of their mission, for embracing the enemy world." [2]

And that is certainly our mission as well, to embrace all people, no matter what they do or have done, think or believe:

True Mother: "My husband and I have forgiven the unforgivable and, for the sake of humanity, loved enemies unlovable... No matter how unjust the persecution we receive, we do not blame anyone, rather we love them. When we overcame ordeals in this manner, blessings that we could not even imagine took place." [6]

Aju! God and True Parents want us to reach that same level, in a short time:

True Father: "Hell is where you do not embrace everyone. Heaven is where you embrace everyone. It should not take our whole life to accomplish. If you do it in 10 years, God will embrace you and say, "You are my child, I will serve you." [7]

Because if we do that, we are in the process of establishing True Parents' tradition, the tradition of love. And that is the most inspiring thing for God. Nothing else can really inspire him, nothing else can make Him exercise His power fully:

True Father: "Only one promise can inspire God: "I have decided to be a sacrifice in order to establish the TRADITION OF YOUR LOVE. I have been trying to live for others. All I want to do is continue living this way." Then God will reply: "Oh, I understand you well. You have accomplished the principles of loyalty, filial piety and fidelity." Otherwise you have no true pride before God, even though you work hard witnessing and fundraising." [8]
