

## True Father: God can give you the best gift in the world

Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father and True Mother:

True Father: "Perfect love is so powerful that it can melt the heart of the enemy. No matter how intensely two enemies have hated each other, love is so powerful that it can heal even that rift." [1]

Perfect love is love on the level of God's love. What is the character of God's love:

True Father: "Many people accuse God, saying, "Look, God! Look at how evil that person is and how unworthy he is of Your love!" Yet, God replies, "Is that so? Well, I will still embrace him." That is the nature of our God, our Father. We have to ask ourselves a question: how much do we resemble God, our Father?" [2]

God's love never changes, no matter what. It always wants to invest into people, wants to uplift and embrace them, wants to forgive them. We are supposed to develop that same heart. To become able to love like God means to become people in the image of God. It means to become God's inheritors. It means to become Kings and Queens of love. There is nothing greater than that:

True Father: "God can give you the best gift in the world. It is to make each of you an ancestor of humankind, a true mother or true father. There is nothing higher. Even being a cabinet minister or the president of a nation does not match that. This is the greatest gift God can give you. When there are True Parents, there will naturally emerge true children, true families, true tribes, true nations and a true world. This is the importance of the name True Parents." [3]

True Parents opened the way for all of us to become true children and even True Parents ourselves. The green light is given, and it is up to all of us to walk that same path:

True Father: "If you truly love me and truly want to follow me then you must become better men and women in the sight of God than I am. That's my wish." [4]

Truly loving God and True Parents as well as Jesus means to become like them or even better, in terms of

love. It is about inheriting their quality of love, a love that does not hesitate to love any enemy:

True Mother: "You were determined to love and respect True Parents throughout their lives, but were you also determined to achieve their dreams?" [5]

What are True Parents' dreams?

True Father: "Father is looking at you, literally looking at you, and wishing that one day you will be the second God, you will be the small God, and that is what Father is waiting and praying for, nothing else. Whether Father has tremendous influence in the world or anything, that's small compared to what Father looks [wants] you to be." [6]

The dreams of God, True Parents and Jesus are that we become people in the image of God, who are willing and ready to embrace the entire world, including the enemy. Because then the world will change fast:

True Father: "If you put yourself in the position of God or Jesus -- trusting persons while they betray you, loving persons when they don't deserve it, wanting to live and care for those persons while they are not qualified -- the world will change." [7]

That shows the power of true love, of loving the enemy. True Parents and Jesus have done that all their lives, and are still doing it:

True Father: "The True Father and True Mother have committed their lives for the sake of their mission, for embracing the enemy world." [2]

Our first and foremost task is to develop a heart that willingly embraces the enemy world, no matter who this enemy may be. And we all have the capacity to reach such levels. It all depends on how much we focus on exercising and stretching our heart in daily life, and on how constantly we ask True Father, Jesus and Heung Jin Nim to help us with that.

By becoming able to love the enemy, we can inherit everything from God:

True Father: "Anyone who can love their enemy... will inherit from God any resources he [she] needs." [8]
