Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father, True Mother and Heung Jin Nim [in the spiritual world]:

True Mother: "The path to become true children ... is most of all to experience Father's heart, understand Father's heart and then make Father's heart your own heart." [1]

We all are challenged to develop the heart of God and True Parents in ourselves, to make their heart our own. The question is how to do that. Reading about True Parents' life course and reading their speeches may give us a clue about their heart. But that does not automatically make their heart our own.

Reading gives us knowledge, but does not automatically change our heart. So we have to make sure that we do not get trapped in the head, but always move forward in our heart, revolutionizing ourselves:

Heung Jin Nim: "And you need to move into a new realm of belief in your deepest heart. Please understand. Belief is in the heart. Your heart needs to open so deeply. It is something far beyond the letter of the law, far beyond the word. It is a part of you which many of you have not yet discovered." [2]

Moving forward in our heart works only by exercising our heart. Otherwise we stagnate:

Heung Jin Nim: "Exercise the heart in your actual practice, actual loving, actual reaching out. That is needed because if you just remain in your head, sooner or later you lose power." [3]

By exercising and training our heart and love we revolutionize ourselves. The more we do that, the more we can understand the heart of God and True Parents, and the more we develop such a heart in ourselves:

True Father: "After joining the Unification Church, if you truly want to know me, you must enter the world of my heart." [4]

True Father wants us to develop his heart in ourselves. The more we do that, the more our heart merges with his heart. Heung Jin Nim wants to help us with that:

Heung Jin Nim: "I am living with you for this very purpose and I will do this eternally until each and every one can come into the complete merging with my Father's heart." [2]

Heung Jin Nim knows exactly our struggles to overcome our limitations of love. He wants to lead us to the heart of True Parents:

Heung Jin Nim: "I know your frustration and your problems and your agony, that you have not been able to love enough. I know that each of you feels that limitation of love, you feel that you are impure, you feel that you can't break through, you feel that you want to love brothers and sisters but you can't do it. And I want you to know that I have come here to guide you in the ways of love of the True Parents. I have come here to take you by the hand and as I said also by the heart to the heart of our True Parents.

Many times you feel you can't do it, but if you can open up your heart and if you can have that faith to open up your heart and let me come to you then I can lead you to that love." [5]

We need to call on Heung Jin Nim for help with overcoming the limitations of our love. Then he will come and help us. And the more we practice true love, the easier it is for him to come to us and get us to even higher levels:

Heung Jin Nim: "As you love people, then beyond all your own limitations or your own concepts just love the people and the final victory will be yours. And those people who did wrong or those people who made some mistake will finally repent and bow down before you.

So just love the people and in that way my spirit can be with you and we can really do so much. I'm only here to teach love. My only mission is to teach love, loving one another, loving True Parents, loving Heaven and living a life of love. My whole existence has no other purpose than that. And when I see you opening up, when I see you loving more, then I'm happy. And that happiness is such a special feeling and I want you to experience that same feeling." [5]
