

Heung Jin Nim: You must realize that in your heart you have all the resources

Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father, True Mother, Sun Jin Nim and Heung Jin Nim [in the spiritual world]:

True Father: "Even though you are persecuted by all of this world, which is the realm of the enemy, you must love the evildoer with your whole heart. That is the condition you have to fulfill. God is MOST CONCERNED about that condition, so those people who are striving to be God's children should also be most concerned about it." [1]

God is so concerned about this condition, because loving the enemy is the most powerful weapon of the people on God's side:

True Father: "We are still waging war, but using True Love as our only weapon. When you become the embodiment of True Love, the entire world shall be conquered. Satan fears the power of True Love, because nothing can prevail against us." [2]

True love is indeed the strongest force. It is true love that True Parents planted in North Korea when they went there. It is true love that they practiced there towards Kim Il Sung:

True Father: "True love is love that loves even what cannot be loved. It is the love that Jesus spoke of when he instructed us to love our enemies. As I set foot in Pyongyang, my heart was as clear as the autumn sky. I did not feel that I was entering the house of my enemy, rather that I was returning to my hometown, to visit the house of my brother. I carried with me to North Korea the principle by which I have always lived, that is, to forgive, love and unite." [3]

True Parents have always shown us this love, and do so to this very day, and will never stop doing it. This amazing love is what we have to inherit. This is our divine destiny:

True Father: "I am clearly showing what a life of true love is like. Who can say otherwise when they see the model lives of the True Parents, who have given and given, forgiven and forgiven, and loved their enemies? You must realize that it is your destiny to walk this path of absolute faith, absolute love and absolute obedience." [4]

By inheriting the heart of God and True Parents we can remove hell and evil:

True Father: " True love, which even the living God desires to abide by absolutely, is the very thing that can conquer even hell. When you possess true love, you can absorb all sorrow and pain and transform them into joy." [5]

We can create a world of peace and love only if we practice loving the enemy:

Sun Jin Nim: "During those racially and nationally tense historical moments, True Parents knew that only when we can unconditionally love our enemies, can a peaceful world begin to emerge. They even risked their lives to unite and embrace leaders of enemy nations in order to bring peace and healing to this world. This is the level of courage and heart that I hope all of you, as leaders, can inherit from our True Parents." [6]

All of us are challenged to practice this kind of love. That is what will bring about the end of evil and conflicts.. That is what will wipe out all the resentments on earth and in the spiritual world, that create havoc all over the globe. Only true love, unconditionally loving the enemy, can do this, and nothing else.

We all need to learn this kind of love. It is not the monopoly of True Parents and Jesus. We all can advance in heart and love, forgiving those who treat us bad and invest into them again and again, without expecting anything in return:

True Mother: "God's true love is love that forgets it has invested, so it invests again and again and again. If the memory of giving remains, then love cannot flow freely and endlessly. Because love moves endlessly, one cannot hold onto the memory of having given. Even if one gives again, love continues to flow because the memory of giving does not remain." [7]

We all have the capacity for such love:

Heung Jin Nim: "You must realize that in your heart you have all the resources. If you ask me, I will come to you. I am a very great teacher. I love to teach. I will show you, if you only ask... Call my name and I will come to you." [8]

Satan will certainly tell us that we can never inherit the love of God and True Parents. God and True Parents, however, want us to advance in heart and love, to inherit their level of love and thus to fulfill our divine destiny.

Love from Bruno
