

True Mother: I would like to begin an era where we share the heart of true love

Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father, True Mother, Sun Jin Nim and Heung Jin Nim [in spiritual world]:

True Father: "If you cannot experience Heavenly love on earth, you cannot go to the Kingdom of Heaven. Have you sincerely loved a Cain-type person? In order to go to the Kingdom of Heaven, your love should surpass the parental love and conjugal love of the satanic world. Parents have even died for the sake of their child in the fallen world; still our love must surpass the parental love of the fallen world." [1]

Our physical life on earth is our opportunity to grow in heart and love, to create heavenly love in our heart and to advance to higher and higher levels of heart and love, so that we resonate with the heart and love of God and True Parents more and more.

The more we do that, the more we will become able to love and embrace even Cain type people, people who display much fallen nature, like arrogance, anger, resentment, self righteousness etc.

The more we develop the heart of God and True Parents in ourselves, the more we can embrace and love everyone, no matter what they did or do, no matter what they believe or what not:

True Mother: " Once we become people of true character, we will come to feel that every person is our parent, sibling or child, and we will want to treat them as such." [2]

We will treat people, including Cain type people, with genuine love in our heart, not because we have to, but because we want to. This way we represent God and True Parents as true children:

Sun Jin Nim: "We must grow and become true sons and daughters equipped with clear vision and a new heart." [3]

Developing this new heart of true love is of utmost importance:

Heung Jin Nim: " My message for you is very simple. I want you to graduate from the school of heavenly love. This is the key. It is so simple." [4]

And Heung Jin Nim wants to help us to graduate in heavenly love:

Heung Jin Nim: "I will teach you how to love. I am the professor of love. I will teach you how to love. If you ask me, I will teach you. But if you do not ask, I will not come." [5]

Our going forward in heart will make us more and more able to relate with people the way True Father asked us to do:

True Father: "You must witness to people without self-centered desire. You must witness to people just because you like them. ... Your eyes must love to see people. Your eyes should not try to see bad things about them. Your eyes must see goodness even in bad people. ... When you like to serve the whole, ... and you try to be positive at all times in all situations, then you will automatically become a happy person." [6]

By becoming people of heavenly love we are helping True Parents to bring about the world of heart:

True Mother: " I would like to begin a new era, an era of peace, an era where we share the heart of true love and living for the sake of others, an era of living centering on altruism, where all of humanity can attend God as our parent. We can establish together a world of peace, equality, unity, and happiness. Together, we can realize the Kingdom of Heaven on Earth." [7]
