Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father, True Mother and Heung Jin Nim [in the spiritual world]:

True Father: "His [the Messiah's] method of saving this world will not be through worldly means and statistics, but will be a way centering on God's true love. That kind of person is indeed the Messiah. From this sort of person the true love movement will spread throughout the world." [1]

Because of the fall, Adam and Eve became false parents, who embodied the nature of fallen Lucifer, instead of resonating with the heart of God. The world became full of people who inherited the miserable nature of the fallen Archangel. They do not resonate with God's heart, but with selfishness:

Heung Jin Nim: "Everyone uses this word [love], they profaned it and defiled it, and only they mean selfishness, greed and lust. They do not know what love is." [2]

This world is so much used to selfishness on all levels, that people think that is normal. They cannot imagine an ideal world, a world without conflicts and sin. For them that is an impossible dream, utopia. They see no way out of the hell on earth, in which we are living.

The way out, however, is going back to the root cause of the problem, and make a change there. True love has to be restored. It has never blossomed on this earth, but rather was suffocated because at the fall:

Heung Jin Nim: "The battle plan is the restoration of love, true love." [3]

True love, God-centered love alone, can heal this world and lead to the establishment of the ideal world of God's desire:

True Father: "God-centered love alone can unite the world. No matter how difficult it may be, no matter how severely divided it [the world] may be, the world can become one under the banner of such love." [4]

How can God-centered love unite the world? Only by us becoming people of true love, true men and women, True Parents, and spreading this love wherever we go:

True Father: "Today we are having a revolution to break up all the boundaries of the universe. It is our task to spread love. In the end only love will remain strong and prosperous." [4]

Selfishness, conflicts and sin will all disappear from this world and from the spiritual world. Because obviously all this cannot exist in an ideal world. In the ideal world there is only true love everywhere, at any time.

To establish such a world we need to understand who we really are, instead of believing Satan's concepts who keeps trying to put us down, telling us we will always be sinners, we cannot really advance internally because of too much fallen nature etc.

We rather need to believe in the concepts of God, who created us as His children with an incredible potential of heart, who sent True Parents to give us the Blessing, so that on that foundation we can advance toward the perfection of heart and love, which is the destination of all of us.

If we believe this and work on its fulfillment, we become the people of God's and True Parents' dreams:

True Mother: "You were determined to love and respect True Parents throughout their lives, but were you also determined to achieve their dreams?" [5]

What are their dreams? True Father tells us clearly:

True Father: "Father is looking at you, literally looking at you, and wishing that one day you will be the second God, you will be the small God, and that is what Father is waiting and praying for, nothing else. Whether Father has tremendous influence in the world or anything, that's small compared to what Father looks [wants] you to be." [6]
