

Sun Jin Nim: We need to all grow to become true parents, true teachers and true owners

Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father, True Mother, Sun Jin Nim and Heung Jin Nim [in the spirit world]:

Sun Jin Nim: "What I hope to offer during my term of service, as International President is to expand the foundation of our movement worldwide so that many more millions of the people of this world come to know and love our True Parents. In order to accomplish this, we need to all grow to become true parents, true teachers and true owners." [1]

What will make the big difference is not what we know in our brains. It is what kind of people we become:

Heung Jin Nim: "It is not what you know that's going to change this world, it's what you can become as a man and a woman following our True Parents....They want you to inherit their very heart." [2]

God and True Parents want us to inherit their heart. They do not want to stay the only True Parents forever. They want all of us to become True Parents, true men and women, true kings and queens of love. That is the purpose of True Parents in the first place, to get us all to their level and even beyond. That will

bring about God's ideal without fail:

True Father: "Mother and I are not going to be the only True Parents. My goal is to make all of you True Parents." [3]

We have to advance in heart and love, overcoming our fallen nature. in order to become True Parents ourselves. We have to become embodiments of God's heart:

Sun Jin Nim [about True Mother]: " She is calling upon all of us to arise as champions of peace, to become manifestations of Heavenly Parent's love and truth so that together we can usher in a new world of lasting peace and prosperity for the whole human family and creation." [4]

True Mother: "It is God's wish and dream (for you) to become humankind's visible True Parents." [5]

To do this we cannot stagnate in heart and love. We need to advance internally, day by day, every conscious moment:

True Father: "You have now received the holy Blessing from the True Parents, who have been crowned as the world's King and Queen of Peace. You have inherited the true lineage, and you have received the seed of true love. Please never forget that you are to spend the remainder of your life on earth nurturing this seed so that it will blossom and bear fruit." [6]

If we do this, then we will become the visible God:

True Mother: "God's dream for humankind is for everyone to become True Parents. God's dream is [for us] to become a visible God..." [7]

Everyone can do that. We all have the potential. And by using this potential we live a true life, experience true happiness and move the providence forward. Our becoming more and more like God and True Parents with respect to heart and love, is the real engine for the providence.
