Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father and True Mother:

True Father: "In the satanic world, people give a little bit and want a quick return In the heavenly way you give everything you have and never talk about it until you come full circle...." [1]

The heavenly way is giving for the sake of love. It is not about getting something in return. It is not about talking about it to get recognition.

The heavenly way is to invest into people, even into people that do not like us, and then to forget what has been given:

True Mother: "God's true love is love that forgets it has invested, so it invests again and again and again.

If the memory of giving remains, then love cannot flow freely and endlessly. Because love moves endlessly, one cannot hold onto the memory of having given. Even if one gives again, love continues to flow because the memory of giving does not remain." [2]

True Father: "What is the mainstream concept? You must invest and forget. You must forget. I really, really ask you, so you must do it because of God and True Parents." [3]

Giving and forgetting is the mainstream. It is God's way of life. It is the way of True Parents, and we are requested to live like that as well:

True Father: "You are living God's life and whatever you do and wherever you go, your entire purpose is to live as God, giving His way of life and His love." [4]

Giving and forgetting, not expecting anything in return, does not mean to lose. It means to gain. Giving and investing for the sake of love, not expecting anything in return, is the way that God's blessing gets attracted by our way of life. When this blessing reaches us, then we have come full circle.

Full circle means, that the more we invest unconditionally, forgetting what has been given, the more we receive back. The more we give, with the heart and attitude of true love, the more we receive:

True Father: " With the love of God, the more you give, the more you receive. You become a giant. The more you give the more you receive, not only from God but also from people; your one investment derives benefit from both ends."

An important aspect of giving is forgiving. If someone treats us bad, we need to forgive and forget, and keep investing into that person, letting go of the hurt, forgetting what happened to us:

True Mother: "We must live a life of forgiveness... When you forgive the sins of others, amazing blessings are given to us from Heaven." [5]

True Father: "When people curse me, I just forget it." [6]
