

## Sun Jin Nim: What you think becomes your reality!

Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father, True Mother, Sun Jin Nim, Jesus and Heung Jin Nim [in the spiritual world]:

True Mother: "The model or example for fulfilling the ideal of Cheon Il Guk, a world of everlasting peace, is to follow and emulate what True Parents have shown us throughout their entire lives: practice the true love of the Heavenly Parent, in other words, live for the sake of others. By practicing this life principle, one can move toward individual perfection..." [1]

True Parents have perfected true love and have started a true love movement. They, however, do not want us to just look at them and adore them. They want us to walk the path of true love as well, thus getting closer and closer to perfecting our love. They want all of us to become True Parents:

True Father: " Mother and I are not going to be the only True Parents. My goal is to make all of you True Parents. It is the greatest honour that I can give to you." [2]

The ideal world of God's design is certainly not a world where only few people reach the level of God and True Parents. It is the world where everyone reaches that level. True Parents are the first ones, after Jesus, who have achieved it, but we all need to follow in their footsteps. Then the true love movement will gain momentum every day and will bring about the world of heart and true love:

Jesus: "You are being charged with something that nobody else has done. You must become True Parents. Yes, you must become True Parents. This is our Father's desire. Not that you follow him blindly as sheep... You can do what not even I could do. You can become True Parents." [3]

Heung Jin Nim made it very clear that we all are central players, not just True Parents:

Heung Jin Nim: "I am the sign of a new age. I am the beginning of a new age of heart. But the central player is yourself. It is yourself. Please do not turn me into a God that you would worship. I am the first of the second generation... but I want you to join me. Each of us are to become as Gods. God's sons, God's daughters. To inherit fully, through our True Parents.

Most of you do not worship yourself enough. You don't think highly enough of yourself. You do not go to your most holy place and see the sanctity of your own heart.. Satan is blocking the door to your temple." [8]

We might not think highly of ourselves, thinking we can never reach higher levels, thinking we are stuck where we are. We may think of ourselves as unworthy, as "sinners". We may think we are too dirty inside, too selfish. But Heung Jin Nim is telling us very different:

Heung Jin Nim: " Your capacity to love is far greater than you know, far greater than you dream." [4]

We need to realize who we really are and what potential we have. If we think low about ourselves, then that will become our reality:

Sun Jin Nim: "Remember that what you think becomes your reality. So do not limit your mind, body, heart and soul. As a son or daughter of Heavenly Parent you share in God's infinite purity, goodness, vitality and unlimited life potential. Do not block your heart. Liberate your heart. Liberate you soul. Liberate your true self. Liberate yourselves to the power of true love. Then peace will start with you." [5]

By walking the path of true love, we liberate our true selves, we become who we are meant to be and whom God and True Parents want to see:

True Father: "Father is looking at you, literally looking at you, and wishing that one day you will be the second God, you will be the small God, and that is what Father is waiting and praying for, nothing else. Whether Father has tremendous influence in the world or anything, that's small compared to what Father looks [wants] you to be." [6]

God wants more and more true people to emerge in every corner of the world, true people in His image.

We may have gone through all kinds of things, all kinds of struggle. We may have had all the wrong concepts about ourselves. But now we have to start seeing our true potential and bring it to fruition:

Heung Jin Nim: "Even when you have been through the darkest night, you will see the sun come up. I see the sun in your heart. I see the sun in you... You are my hope!" [7]

God is waiting for us to revolutionize ourselves. To do this we have to change the way we think about ourselves. We need to discover the sun in our heart and bring it out, becoming the shining examples of heart and love, a love that this world has never seen before. We can do it.

Love from Bruno
