Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father, True Mother and Heung Jin Nim [in the spiritual world]:

Heung Jin Nim: "It hurts my heart to see how locked in our people are. In so many ways. Many times you think that the providence is going forward because Father's projects are going forward and Father, he is going forward. And you are working hard, whatever your job be, your mission -- you have to understand something. That going forward at this time.... means going forward in your heart..." [1]

We may do many things, but if we do not advance in heart and love, how can we make a revolution of heart and love? How can we bring about the world of heart?

The world of the heart will not come by us waiting for True Parents to establish it. It does not come from external activities alone, no matter how important they may be. It can only come about if more and more people make conscious and constant effort to grow in heart and love, to reach deeper and deeper levels of heart:

Heung Jin Nim: " If you don't have the right heart first, all the organization in the world won't make any difference. The heart is the most important thing, the heart. What is your heart? What is the content of your heart? What is the level and depth of your heart? What is the level and depth of embracing people and feeling responsible?" [2]

In order to make a difference in this world and in our own lives as well, we need to revolutionize our heart and love. We need to focus on heart, develop our heart, break down all the barriers in our heart:

True Father: "You must make daily efforts and struggle to overcome the limitations of your heart. That is what we are here for...." [3]

If we do this, then we will perfect our original mind and become people who resonate with God's heart:

True Mother: "As we work toward opening of the Cheon Il Guk era, you must be able to find the perfected, original mind while carrying out your own responsibilities." [4]

We may think we are too impure or too limited to reach such levels. However, such concepts are not from God. God, True Parents, Jesus and Heung Jin Nim are eager to see us at the highest levels of heart. They all want to help us:

Heung Jin Nim: "I know that each of you feels that limitation of love, you feel that you are impure, you feel that you can't break through, you feel that you want to love brothers and sisters but you can't do it. And I want you to know that I have come here to guide you in the ways of love of the True Parents. I have come here to take you by the hand and as I said also by the heart to the heart of our True Parents." [5]

Heung Jin Nim: "So you must, you must connect. Make every effort you can, but don't be afraid. Don't be afraid at all, just relax. I will help you. Just ask me to show you the way. Ask me to show you through the darkness of your own heart, through the barriers that you have there. I will help you. Whenever you are afraid, just say, "Heung Jin Nim, I'm afraid. Help me!" And I will help you." [6]

If we think that people like True Father, Jesus and Heung Jin Nim are too busy to help us in our growth of heart, then we need to understand that for them our growth of heart is the most important thing. They are certainly not too busy to help us with that. They can be in different places at the same time anyway.

Heung Jin Nim: "...a smart person, a responsible person, seeks the help that he needs to do the job that he says he will do." [7]

And our "job" is to go forward in heart:

Heung Jin Nim: "It is your job to go forward, and this is not just an external responsibility; it is not just obedience to Father's latest project. It is going forward in your hearts..." [8]
