Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father, True Mother, Sun Jin Nim and Heung Jin Nim [in the spiritual world]:

True Mother: "What is the path that humankind should take today? In the end, the problems afflicting humanity can only be resolved through the logic of love and the understanding that we are all one family under God. This is the teaching of true love with God at the center that my husband and I, as the True Parents, received from Heaven. We have championed and taught this precious truth throughout our lives. This ideal represents the path that will lead humanity to a world of everlasting peace and happiness." [1]

Certainly nothing other than true love will save this world:

True Father: "No one can deny the truth, that nothing else other than a new movement or a revolution of true love, can save today's world." [2]

Nothing else will do it, only true love:

Heung Jin Nim: "Determination will not save the world. Love will save the world." [3]

Sun Jin Nim: "Only through True Parents and the heart of true parental love can we establish world peace and one Family under God." [4]

Our first human ancestors failed to bring true love to completion. They became beings of corrupted love, establishing a dysfunctional family, based on a selfish heart, far away from the heart of God. Selfishness spread all over the world, and now people think selfishness and struggle is normal. They think it is human nature, not understanding that this is fallen nature, which is the opposite of true love.

The ideal world of God's design is the world where everyone perfects his or her love. A world full of people with fallen nature cannot be God's ideal world. It is rather a world full of war and struggle, hell on earth.

Only a revolution of heart can bring about the ideal world. And this revolution started with True Parents and we all are called to bring it to fruition. We all are called to become visible Gods. True love has to be restored in each one of us:

Heung Jin Nim: "The battle plan is the restoration of love, of true love." [5]

Satan corrupted the hearts of our first ancestors. Satan sowed the seeds of selfishness which blossoms all over the world. The way out is to turn the tide by revolutionizing our hearts, by becoming people of true love, replacing fallen nature with a heart of true love.

We all need to find our unique way to do that. And True Father, Jesus and Heung Jin Nim are always ready to help us with overcoming all the blockages in our heart:

Heung Jin Nim: "Some of us are more liberated. Some of us are a little less liberated. We go through many things. But I'm here to help you. I want to help you. I cannot dominate you, as I said. But I can take your hand as you reach out. As you reach out in belief, in heartistic belief, I can help you. Please understand that. That's my whole life's purpose. If you don't give me that open hand and that arm reaching out to me... what do I have to do?" [6]

We cannot do anything more important than making true love blossom in our life:

True Father: "We are called to make love blossom. Love is the foundation of happiness for all people. That is why if we open the world of true love, everything else we want is guaranteed." [7]
