

Heung Jin Nim [in the spiritual world]: What is the level and depth of your heart?

Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father, True Mother and Heung Jin Nim [in the spiritual world]:

Heung Jin Nim: "So you've been very stubborn and determined in the past, and not giving up in terms of your responsibilities. But now you need to make a determined effort, ten times that determined in terms of reaching into yourselves. That is why sometimes you felt empty because your determination was more external, but not internal." [1]

Heung Jin Nim wants us to advance in heart and love. He wants us to make that our main concern:

Heung Jin Nim: "It is your job to go forward, and this is not just an external responsibility; it is not just obedience to Father's latest project. It is going forward in your hearts..." [1]

If we just focus external matters, neglecting our growth of heart, then we may start to feel empty. Our connection to God may weaken. We cannot experience God as much as we should. We start to "burn out", especially if we do not achieve the external success we are seeking. And if we are just focused on the external result, then of course the external success will not come so easily.

The more we put our priorities straight, focusing on the growth of heart more than on the external success, then not only will our heart grow, but also externally things will become better. We will feel God's hand moving in our life. But even if the external success will be slow, we still will not burn out, because we see our heart and love growing, and that gives us joy, hope and confidence. We will see us becoming the people that God desires, people through whom God can change this world:

Heung Jin Nim: " Never forget that. It is not what you know that's going to change this world, it's what you can become as a man and a woman following our True Parents....They want you to inherit their very heart..." [1]

Knowledge, organisation, determination etc. will not lead to God's Kingdom:

Heung Jin Nim: " If you don't have the right heart first, all the organization in the world won't make any difference. The heart is the most important thing, the heart. What is your heart? What is the content of your heart? What is the level and depth of your heart? What is the level and depth of embracing people and feeling responsible?" [2]

We can only lead the world in the right way, if we have the right heart:

True Mother: "You need to grow internally and then reach a position in which you can lead the external world." [3]

Everything must be based on our hearts becoming the same heart as God's:

True Father: "When your standard of heart is the same as God's, all problems will be solved." [4]

The question is how to go about advancing in heart. It is all about constant training in all encounters with people. And it is about asking the help from the right people:

Heung Jin Nim: "You just have to learn the secrets of bringing a heavenly environment around you. And the simple secret is to keep calling my name. And I can come. Call Jesus' name...We come together... Learn how to use us to help you.... We are your brothers. We want to serve you. Anything we can do from the spiritual realm, we will do..... Please call us. Please, so we can come and help you.. But if you don't call us, there is a spiritual barrier that a we can't get through... So you have to call us to come with you."

Of course, we can and should also ask True Father for helping us to advance in heart.
