Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father and True Mother:

True Father: "Your gradient of influence and power is based on how much you are growing. Ultimately you will become like the original center, like a sun which generates energy rather than the moon which reflects energy. By practicing this you can come to fully understand my situation and God's loving heart. Only then can we have oneness and common pride between us. There is only one main stream, and it is connected to this way of life." [1]

We need to become people who can love even when there is no or little or a negative response:

True Father: "If you are ready to receive nothing in return then you become like God, because God is always giving out love with His whole being, getting nothing in return. That's the point where godliness starts." [2]

The more we become like that, the more we are in the mainstream of God's providence. Then we become more and more influential in the world:

True Father: "Live for the sake of others. Invest yourself with true love and forget what you have invested. Practice this and you will perfect yourself as the owner of love. You will gain the authority of a subject in relating to others, and they will willingly submit to you in response." [3]

This is because true authority comes from the heart of true love:

True Father: "Unless you become a king [queen] of heart you cannot be a king [queen] of power... The king [queen] of heart is the king [queen] of authority." [4]

True Father: "Only the person who possesses the love of God can have the privilege of inheriting the authority of heaven and earth, which were created by God." [5]

True Father: "Only families that can love all human beings.... as their own parents, and serve them as their own sons and daughters, can inherit the Kingdom of Heaven. This is amazing. The right to inherit all the power and authority of heaven and earth created by God lies here." [6]

True Mother: "True love can serve as the basis for conquering even hell. When you come to possess true love, all sorrows and pains transform into joy within that true love. In other words, true love is the desire of the original nature of humankind, which remains as an absolute authority that is greater than any authority asserted through power, knowledge or money." [7]

The world is looking and waiting for people of true love, and more and more those, who can love the way God and True Parents do, will attract and influence others in a Godly way:

True Father: "The world will follow nothing other than the source of love. You must become a magnet of love and then the world will be attracted. Only in that way can one gain dominion of the world." [8]

True dominion and authority are based on the heart of true love, a heart that is deeply connected with the heart of love of God and True Parents:

True Mother: "You need to grow internally and then reach a position in which you can lead the external world." [9]
