Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father, True Mother and Heung Jin Nim [in the spiritual world]:

True Mother: "The citizens of Cheon Il Guk are each called to strive each day to become a True Parent, a True Teacher and a True Owner. " [1]

True Parents have not come to be the only True Parents forever. Through the Holy Blessing they have opened the way for all mankind to become True Parents. Through the Blessing they made and make it possible for everyone to join God's lineage. And after that we are challenged to become people in the image of God, people with the same heart as God and True Parents, true sons and daughters of God, people of perfection of love.

That means we are challenged to grow day by day, so that we, step by step, reach the heartistic standard of God and True Parents. And that means that we become True Parents ourselves, and certainly nothing less..

This is the only way that God's ideal world can come about. God's ideal world is the world where God's heart dwells in everyone without exception, where everyone loves the way God loves, where everyone dreams the way God dreams.

In such a world there cannot be sin and fallen nature. There cannot be conflicts nor war. There cannot be any national borders and there cannot be religions. All this was never planned by God, and it came about by the fall.

Everything that came about by the fall has to be completely eradicated. Otherwise we cannot talk about the Kingdom of God. Therefore we all have to become True Parents. We have to become small Gods ourselves. This is what God and True Parents are dreaming of and waiting and praying for:

True Father: "Father is looking at you, literally looking at you, and wishing that one day you will be the second God, you will be the small God, and that is what Father is waiting and praying for, nothing else. Whether Father has tremendous influence in the world or anything, that's small compared to what Father looks [wants] you to be." [2]

True Parents want us to reach even higher levels than they have reached:

True Father: "You should aspire to become embodiments of God, embodiments of the True Parents... In fact, all these Parents want you, their embodiments, to be better than they are." [3]

And Heung Jin Nim wants us to help with this:

Heung Jin Nim: "So I will continue to come, until the last person is restored. If you can meet our Father, our God, then my job will be done for you, and you can become a child of God. You can become a small God yourself..." [4]

But we have to ask him to come, to help us to grow in heart and love. That applies for True Father and Jesus as well. They want to help us personally and they want to support the worldwide providence. We can and should ask their help for both.

Love from Bruno
