

True Father: The power of true love is like a high-voltage current

Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father, True Mother and Sun Jin Nim:

True Father: "If God had cursed fallen human beings, their way for the future would have been blocked. But God did not do that, and hence the hope of salvation has remained throughout human history. I have inherited this tradition and this heart of love; therefore, I prayed for my enemies, even though they hounded me to the point of death. I filled their cups with God's blessings. I am praying even now for God to bless them. This is my teaching as the teacher of the Unification Church." [1]

The heart of God is not one of resentment, judgement, hatred or revenge. The heart of God is one that even embraces His own enemies. It is a true parental heart:

True Father: "God's heart embraces even His own enemy, and will never denounce or cut him off. This is the force governing and uniting you people." [2]

Just as Jesus and True Parents inherited the heart of God. That does not mean they got it on a golden plate. They rather focused on loving God and people with true love, loving everyone, even enemies, and thus they reached the level of the heart of God, becoming people in the image of God.

They, of course, are not supposed to be the only ones on that level of heart forever, while everyone else is stuck with fallen nature. True Parents came to establish the world of the heart, and that can only happen if more and more people also become True Parents themselves. True Parents opened the gate for all of us to become True Parents.

In order to reach the level of True Parents, we also need to love enemies and friends alike, unchangingly and unconditionally. We have to inherit their heart and love by walking the way of true love every day, embracing and loving everyone that comes across our way, good or bad:

True Mother: "When you really come to feel God's heart, how could you possibly seek revenge? When you come to know God's heart, you want to help your enemy instead. Only then can you focus on love, which is the great road of the law of nature, and can you travel that great road which embraces all as one. Only then will heaven and earth move in unison, and will God shed tears. He will be delighted because you resemble Him." [3]

Us getting closer and closer to the parental heart of God, will bring about the world revolution of heart. It will bring Satan's world to collapse in the very near future. With true love we can eradicate resentment and hatred wherever we go, not only on earth, but also in the huge spiritual world:

True Father: "The power of true love is like a high-voltage current. Any evil that touches it will be vaporized in an instant." [4]

The more we practice true love in daily life, the more the power of evil will disappear and God's world

will become visible. That great is the power of true love:

True Father: "If you just think of and love others with your whole heart, even the minds of evil people will turn toward you." [5]

Resentment and hatred will just melt away through the power of love, and that will change the whole world sooner than we might dream:

True Father: "This is the secret. When evil is forgiven and embraced, it is eventually melted and purified." [6]

Loving the unlovable, embracing and blessing them, is indeed the way forward to world peace:

True Father: "Even though you are persecuted by all of this world, which is the realm of the enemy, you must love the evildoer WITH YOUR WHOLE HEART. That is the condition you have to fulfill. God is MOST CONCERNED about that condition, so those people who are striving to be God's children should also be most concerned about it." [7]

True Father: "Since the principle path of the providence of restoration is for God to bring about Satan's surrender by loving him, we who are His children have to walk this same path. It doesn't matter that we are persecuted and abused and regarded by everyone around the world as an enemy.. We who are God's children must establish the condition of having loved those who oppose us... few realize that [this is the] boundary line between victory and defeat in the battle between God and Satan." [8]

After all, it is divine love, love on the level of God's love, that will bring about national restoration. Even the great world religions will surrender to those that embrace them, no matter what. They will not be able to resist true love forever, but realize where God is at work:

True Father: "We must restore this nation by love. Even though other Christians have treated us as their enemies, we must love them more than anyone ever has. Eventually that love will win out. " [9]

By growing in heart every day, even embracing enemies and opponents, we become the hope of the world:

Sun Jin Nim: "Be the hope you want to see in the world Win the crown of glory. Cultivate the heart, the love. Love your enemy, rise above, and change it for good. Glory is the living embodiment of love on earth, the highest level of love we can achieve. That is your legacy because that is what True Parents did." [10]

And this is our God-given potential.
