

## True Father: In love you become a small God here on earth

Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father True Mother and Heung Jin Nim [in the spirit world]:

True Mother: "You must become one with the True Parents in heart, body, mindset and in harmony. Your oneness with True Parents must be manifested through your thoughts, emotions, words and deeds."  
[12.8.14]

True Parents do not want to be the only ones who have inherited the heart, mindset and vision of God. They want all of us to reach the same level of heart and love as they have reached. If we would manage to surpass their level, they would not be unhappy but rather ecstatic, because they want the same as God wants. And God wants everyone to rise higher and higher in heart and love all the time, without limit. He wants us to become better and better, reflecting His nature to the fullest:

Heung Jin Nim: "Actually you may have heard Father say that he wishes that we'd be greater than he.

And I know that ... some people thought that Father doesn't really want that because Father's position is ultimately the greatest authority in Heaven. But actually Father's desire for us to be greater than him is very sincere: He wants his children to be greater than him because Father thinks only in terms of goodness. And greater goodness is Father's only desire because this is Heavenly Father's only desire." [1]

True Parents' desire is that all people in the world become the most incredible people that the world has ever seen. The faster that happens, the faster this world will become the world that God has always desired, a world where love is everywhere at any time, a world without shadows, a world where everyone is a second God:

True Father: "Father is looking at you, literally looking at you, and wishing that one day you will be the second God, you will be the small God, and that is what Father is waiting and praying for, nothing else. Whether Father has tremendous influence in the world or anything, that's small compared to what Father looks (wants) you to be." [2]

Is it possible to become a second God? Certainly it is. It is even our destination according to God's plan of creation. God has given this incredible potential to each and every one of His children:

True Father: "In spirit world we will all have some accumulated testimony about how much love we gave to God and the people... in love you become a small God here on earth, so when you go to spirit world you have complete freedom to dwell in the realm of love God has been creating from the start. My voice is the loudest of all here on earth because I am ringing the bell of love." [3]

God and True Parents want our bell of love to be at least as loud as theirs! Such bells of love will bring about the liberation of this world from sin and evil.

Love from Bruno
