

Sun Jin Nim: If you are not perfect, it's ok, there is a growth period to all things

Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father and Sun Jin Nim:

True Father: "I am here to teach you the path to ownership of God's true love.

We become owners of true love through practice. How do you practice true love? You do this by giving first, by investing completely for your beloved, and by sacrificing and forgetting what you have given."
[1]

The mission of True Parents is very fundamental. It is all about establishing the world of the heart, a world where everyone is an owner of true love, just as God, True Parents and Jesus are. For such a change to come about, True Parents need to help and guide us to become new people with a new heart:

True Father: "With the Principle or by the Principle, my mission is to make new hearts, new persons." [2]

Of course, True Parents cannot just change us into new people. It requires our own contribution as well. We need to grow up:

Sun Jin Nim: "We must grow and become true sons and daughters equipped with clear vision and a new heart." [3]

How do we get this new heart? And what is this new heart about? It is the heart that can love as God does. And to develop such a heart takes time and practice:

Sun Jin Nim: "If you are not perfect, it's ok, there is a growth period to all things. Just practice and study with more sincerity; do not doubt yourself; do not doubt others; have faith in all, and you will get there." [4]

The more we work on bringing our love to higher and higher levels, the more we become new people.

And then we can have a great impact:

Sun Jin Nim: "If we are to offer a restored nation to True Parents, it will not be through the use of force. Only by practicing true love can we move, inspire and transpire a nation. If we look at the state of the world today with the crises of the planet, global economic difficulties, and interreligious strife, we know that the world urgently needs True Parents' true love and blessing; now more than ever. Only through True Parents and the heart of true parental love can we establish world peace and one Family under God." [5]
