

## True Father: Because of you, there is a seed of hope on the earth

Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father:

True Father: "If you live your life in service to others, you will find prosperity. It may seem that such a route would lead you to ruin, but it will not. The only reason it may not always bring prosperity to you is because you do not give to the very end. In the middle you suddenly become skeptical. You change your heart or pity yourself and thus shrink from God's law of total giving. The good result never materializes."  
[1]

God has always loved all of humanity. His love never changed, no matter how people have disappointed God. Jesus and True Parents have the same heart as God. Their love never changed, and it will not change in the future. Nothing will be able to break this love. They will keep loving all of humanity, and they wish that we will develop that same heart and love:

True Father: "It does not matter how many times another deceives you or betrays your expectations. Do not give up because you will not lose. I was actually betrayed many times and know that I will continue to be betrayed, but I am secure in my way and I go on. I have never found that my position gets worse; instead it is always improving. That is the heavenly standard."

[2]

As we develop that same standard in our heart, then we are definitely living God's life:

True Father: "You are living God's life and whatever you do and wherever you go your entire purpose is to live as God, giving His way of life and His love." [3]

The more people live God's life here on earth, the faster the Kingdom of God comes, because such a love is simply unstoppable:

True Father: "Everything can be burned up or washed away but because of you, there is a seed of hope on the earth. This seed will perpetuate and become like a tremendous vine, growing forever and ever. No power exists which can stop this hope. The roots of a tree can penetrate even a huge rock; in exactly the same way, the power of love will grow and take root over the whole earth." [4]

The fallen world came about by the power of false love. All false love in this world will be melted away by the power of true love. No power can compare to the power of true love. It is the biggest power of all, and based on this power the Kingdom of God will emerge. We all have the potential to become the owners of such powerful love:

True Father: "With God's love as the core, you should become a person who maintains the law of love, whom no one can break or destroy, and you should become a substantial being of love by serving God. This is the highest ideal for man and for woman. This has been the hope of God since He created human beings and all things"[5]
