Anyonghaseyo, dear brothers and sisters!

Here again some inspiration, based on the words of True Father and Sun Jin Nim:

True Father: "I want you to understand, therefore, that the Unification Church is the historically highest religion, and the way you are living is the historically highest career. My teaching is always directed toward achieving this goal -- that every one of you can fulfill this historically highest career and achieve God's ideal of love." [1]

In order to achieve God's ideal of love, we need to develop our heart to higher and higher levels. We need to pioneer the heavenly heart within us:

True Father: "To pioneer heavenly heart is the path of those who walk the path of paths." [2]

In order to pioneer the heavenly heart, we need to gradually overcome and break down all kinds of limitations in our hearts. that stop us from loving the way God does:

True Father: "The depth of your love for God is your standard for loving your husband, your children, your neighbours, your society, your world and even those in the dungeons of hell. That is your criteria. I want you to make this feeling passionately real, down to the marrow of your bones. You cannot just will this to happen one day. You must make daily efforts and struggle to overcome the limitations of your heart. That is what we are here for ... what we are doing is as permanent as a rock. " [3]

Day by day we need to advance internally, in heart and love, overcoming our fallen nature that tries to influence us all the time. That requires that we look into ourselves all the time, finding out how to more and more become the manifestations of God's love:

Sun Jin Nim: "She[True Mother] is calling upon all of us to arise as champions of peace, to become manifestations of Heavenly Parent's love and truth so that together we can usher in a new world of lasting peace and prosperity for the whole human family and creation." [4]
