

## European Second Generation Blessing Preparation WS

25-28 October 2012 Grävenwiesbach, Germany

---

This time we gathered as a group of 30 persons, adult children with some parents, everyone eager to study, share and discuss about value of the Blessing and how to best prepare for it. There was a nice variety of lecturers: William Haines, Geros Kunkel and Rainer Fuchs. Schedule offered also testimonies related to Matching and Blessing, time for getting to know each other, and opportunity to enjoy autumn nature with first snow. We all could create very pleasant family atmosphere and use this long weekend to reflect on how to live our lives more closely with our Heavenly Parent as Blessed families; how to inherit tradition and love of our True Parents.

We expect the next Blessing will take place in February 2013. If there are 2<sup>nd</sup> Generation candidates in your country who would be interested in attending Blessing preparation WS and you wish to hold it on national level please contact Second Generation Blessing Department at [blessing@esgd.org](mailto:blessing@esgd.org) or directly Geros at [geros@esgd.org](mailto:geros@esgd.org). Please note that you may find all information about Blessing administration, all necessary forms as well as basic qualifications at European BFD website (<http://www.bfdeu.org/BFD/blessing/index.php>).
