The "2016 Autumn Chung Pyung Special Great Works" was held from 9.21-23 by the heavenly calendar in the 4th year of Cheon Il Guk (solar calendar, Oct. 21-23). For the Special Great Works a total of around 29,000 people from 59 nations attended.

On the victorious foundation of the Seonghwa Festival of the 4th Anniversary of the Universal Seonghwa of Sun Myung Moon, the True Parents of Heaven, Earth and Humankind and Hyo Jin Nim and Heung Jin Nim becoming one with True Cain and Abel, the Special Great Works was held magnificently with great love of True Mother.

At the True Parents' Special Assembly, True Parents gave us a precious address, saying "I hope all the participants realize that only being in the stage where all the focus of human being become one body, one mind and one harmony with True Parents is the way to receiving a huge blessing."

Also, Sun Jin Nim, International President, said, "True Parents' original ideal was one big family of humankind. To practice this ideal, True Parents made a steady foundation to achieve the unification in every dimension at the Chung Pyung Holy Ground."

With this amazing grace, all members who gathered from around the world at the HJ Cheon Won, which is like True Mother's womb, made a determination for the new start, the victory of Heavenly Tribal Messiahship and Vision 2020. It was such a precious time for us to become united into one through it.

Chung Pyung Heaven and Earth Training Center will do its best so as to provide refuge to all visiting members. We sincerely pray that abundant blessings and heavenly fortune from our Heavenly Parent and True Parents of Heaven, Earth and Humankind fill you and your family. Thank you once again.
