March 12, 2017

On March 12, 2017, we held a second generation family seminar with the topic: Heavenly Parenting. Our lecturer, Mrs. Raenette Pang spoke on the purpose, goal and basic foundation of raising heavenly children covering the contents below:

- Foundation before Conception
- Heavenly Conception, Pregnancy and Birth
- Children's Development
 - Foundation of Trust (0-12 Months)
 - Foundation for Good Habits (12-36 Months)
 - Developing Conscience and Sense of Responsibility (3+ years)
- True Parents' Guidance to True Children
- How to teach children about Invisible God
- Practical Tips for child raising

Reflections

"I learned a lot about the proper mindset of being a parent and how I can better educate my future children to become kids that make Heavenly Parent and True Parents Proud."

"I appreciate Aunt Raenette's generosity in sharing about her precious experiences of raising her children."

"I learned how I should make the invisible God visible to my children through my words and actions."

"I think this workshop was perfect for Blessed Second Gen. Here we learn how to treat our next generation like God's children."
