

Cranes Club First European Health Conference Invite

Youngil Ely Loew
September 9, 2016

Dear All,

We are very happy to invite you to the first European Health Conference!

Registration is now open – Seebenstein, Vienna 11 – 13 Nov. 2016

(Wiener Neustädter Straße 101 - A-2824 Seebenstein - www.riehl.at/seebenstein)

As you may have been informed already, Cranes Club Europe has been planning an International Event, connecting a big variety of health related fields.

We are looking forward to welcoming all people with Unificationists background, who either work in or are studying in the medical, spiritual/mental or physical health environment. The program also addresses those who are interested in learning more about health. We want to point out, that it is not necessary to have a background in health. The program will cover informative lectures, recreational activities, group sessions and sharing of work experience!

Our inspiration for this conference has two sources.

Firstly it originated out of the guidance of True Father, who has the vision of uniting Eastern and Western medicine while acknowledging the spiritual side of human beings.

Secondly, with True Mother initiating the Cranes Club on May 10th, 2015 in Vienna, it was stimulated as a follow-up of our first European Cranes Club Europe meeting in January 2016 in Camberg.

This first conference, will be held in Seebenstein, close to Vienna, Austria.

It will be a valuable opportunity for us to share within different fields of healthcare and learn from each other, as well as sharing time with our brothers and sisters in some leisure activities. It is our hope that it will lead to future projects and be an inspiration for your everyday life.

About the Program:

We are doing our utmost to create the best possible combination of informative talks by several experts in their field. Also we will have several group sessions, where people can freely chose to join, depending on their interest. We put extra effort in offering healthy meals, morning sports and optional hiking tours to support the idea of a healthy lifestyle!

Beginning of the Official Program will be on **Friday the 11.11 at 19:00**

(For those who arrive earlier, we will provide dinner)

End of Program will be on Sunday 13.11 at 10:30

Pease note: we will send out an exact detail of the schedule, as soon as all speakers and group session topics have been confirmed.

To register, please follow this link: goo.gl/forms/MuAu2GFzsZyj2giq1

(Registration Deadline: 15 October!)

For your **Travel Arrangements**, please follow his Link:
