Muslim Closing Prayer

You are welcome to attend an inspiring interfaith discussion on how religions can cooperate together to build a peaceful world. Please join us to share your views as well as to understand the perspective of the 'other'.

Inter-religious dialogue is very important when there are tensions between faith communities in the world today. The bonds we hold in common are much greater than the forces trying to separate us by highlighting our differences. Thank you for your consideration and we look forward to welcoming you.

Yours sincerely,

Rev Nathaniel Oyinloye, Founder: Hospital and Prison Action Network
