Not sure what you want to do after high school?

Try a Gap Year Program!

Learn about the different options for gap year programs and get your questions answered!

During junior and senior years, high school students begin to think about their future. Many may feel overwhelmed in deciding where they should go to college, what they should study, what they should do in their future career, and so on. Have you ever considered the benefits that come with taking a year off before entering college? Even taking a gap year in the middle of college can make you a better student, more prepared, and more intentional. Joining a service program for a year can give you a deeper understanding of yourself while you give your time in service to others.

Some of the programs we will be featuring are:

- Generation Peace Academy (GPA)
- NextGen Academy (NGA)
- DONE (Europe)
- Staffing GOP (Korea)
- European STF
- Oceania Leadership Training (OLT)

This webinar is hosted by National Youth Ministry and CARP America. For more information about Gap Year Programs check out: familyfed.org/youth_ministry/gap/ or contact kmoffitt@unification.org
