December 20, 2015

FFWPU São Tome and Principe Island: One thing I was thinking when I came to São Tome and Principe last, to help with second generation children so I discuss with the blessed families and decided to organize a 2 Day Workshop.

Our 2-day workshop began on December 18 and ended on December 20. We had 10 participants (3 boys and 7 girls) age 8 to 16 years old. They never attended any workshop since they were born.

Within the week, parents came with a good testimony for their children. They asked for more education of their children.
