

Lovin' Life Ministries New Jersey

December 2011

Dear Elder Brothers and Sisters,

As the end of the year is approaching, your life must have been busier these days. How is your family doing? We would like to have our 2nd Annual Golden Age celebration including those people who turned 60 years old this year. Let's look back and reflect upon this past year by having delicious food, singing Karaoke, enjoying chatting and each other's company. (We are also planning to have an exciting raffle.)

We would also like to encourage you to be mindful of volunteering in the areas you are interested in for the future development of this ministry.

We are looking forward to seeing you there in this busy holiday season.

Sincerely,

Mrs. Eriko Endo and Mr. Hitoshi Onishi
