"100% Loyalty to True Father"

"But will God indeed dwell on the earth? Behold, heaven and the highest heaven cannot contain you; how much less this house that I have built! Yet have regard to the prayer of your servant and to his plea, O Lord my God, listening to the cry and to the prayer that your servant prays before you this day, that your eyes may be open night and day toward this house, the place of which you have said, 'My name shall be there,' that you may listen to the prayer that your servant offers toward this place. And listen to the plea of your servant and of your people Israel, when they pray toward this place. And listen in heaven your dwelling place, and when you hear, forgive. 1 Kings 8:27-30

You have to be able people, able to fulfill responsibility which you cannot imagine today in public office and government. You have to educate yourself; I don't mean education from an institution, but inheriting the tradition. If America falters then it is not just the end of America, but of many other nations who have placed their hope in America. They will all be washed away with America. But if America is successful then they will all follow America. SMM, The Strictest Test You Must Pass Is Meeting the Qualification to Be a Real Parent, February 11, 1980.

Hello,

Hyung Jin Nim started the service by joyfully announcing the Blessing of the 3rd King (whom True Father announced before his passing), his third son Shin-Joon Nim with a wonderful 2nd Gen who has Korean and Japanese parents, Chiu Sakai. The Blessing will take place on April 23.

He spoke about the temple built for worship for the people of Israel, which was dedicated by David's son, Solomon (*1 Kings 8:27-30*). Solomon prays that the Israelites will turn towards the Temple, which, Hyung Jin Nim explained, represents Christ, who is to be the center of the civilization and an ever-present reality in our lives.

The satanic culture seeks to replace the ideal of romance in marriage with a war of the sexes. Feminists want to frame everything in terms of power and the need to erase the authority of men aka the

"patriarchy." Some young men are choosing to avoid interaction with young women, preferring pornography. Obviously porn or having sex with a robot "woman" covered with rubber "skin" is not a real relationship. Earlier this year, [a demonic statue of horned woman was erected at the top of a New York state courthouse.](#)

Don't make your family into an idol either. It must be centered on God. Give gratitude to God.

Schools want to sexualize youth early so they become addicted to hedonism. It creates a culture of harlotry. Like Satan opening the children's eyes at the wrong time, where saving yourself for the marriage bed is unthinkable. Love and respect are needed in the marriage. Especially when change is requested or needed. A temper tantrum approach always backfires. Mind-body unity is important. You must be able to trust your spouse in a moment of crisis.

Even though Hyung Jin Nim lost access to billions, he considers himself to be the richest man in the world, because he has God's love. Money comes and goes. There is heavenly fortune and God's blessing.

3rd King's Blessing Announcement

In 2020 True Father called us to celebrate True God's Day in Las Vegas after the first 7 years since the fall of the Han Mother. At that very time came the release of a worldwide plague and lockdown of the entire world. This worldwide authoritarianism is political satanism. They will be able to track your digital currency account and punish unapproved purchases. Putin is not perfect, but no LGBTQ is allowed in Russia. The U.S. embassies are flying rainbow flags. Who you're attracted to is not an accomplishment.

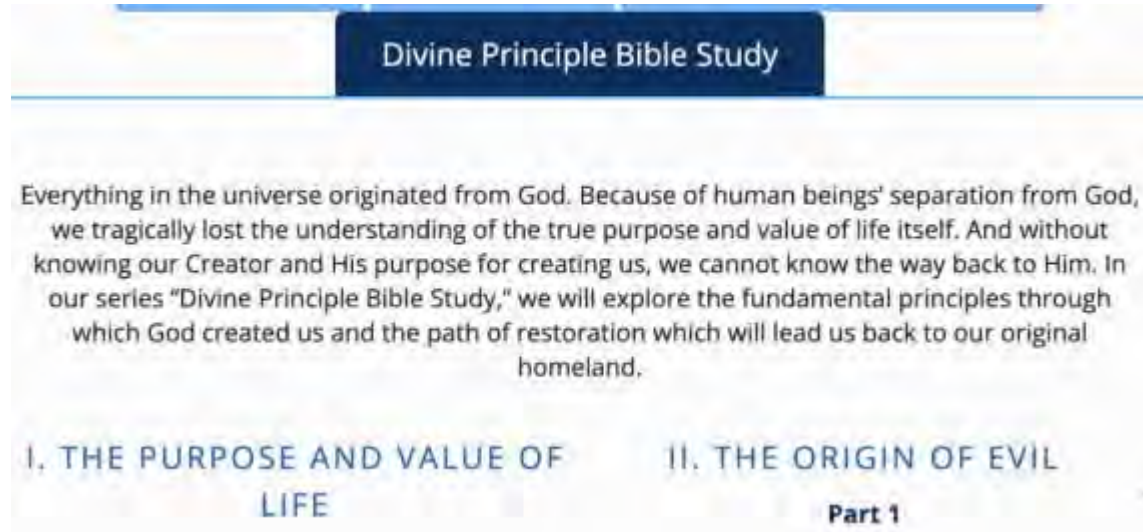

The role of the King/Teshinja in the Constitution of Cheon Il Guk is judicial, not military or making laws, with the purpose to protect the constitution and the nation.

Before Father passed, Hyung Jin Nim would go every Tuesday to watch Kook Jin Nim in his meetings with 27 UC businesses in Korea. Outside consultants evaluated his level as a CEO and gave him huge respect. He transformed the businesses into profitability and eradicated church donations to the businesses. He sold off the ones which could not be made unprofitable. He had 100% loyalty to True

Father.

Kook Jin Nim said to Hyung Jin Nim, "Father chose you, so my joy is to serve you. In that way I can serve True Father," and "you did it. Like Frodo Baggins, you walked away from the ring of power." Hyung Jin Nim said, "no, what we did was normal, what 2 brothers should do."

Hyung Jin Nim did 10,000 hours of meditation, so he can be very calm. He will train Shin Joon for his future role.

May God bless you and your families!

Sincerely,

Richard
