GENDER WARS: Ideology vs REALITY

*“To the angel of the church in Ephesus write: ‘The words of him who holds the seven stars in his right hand, who walks among the seven golden lampstands. “I know your works, your toil and your patient endurance, and how you cannot bear with those who are evil, but have tested those who call themselves apostles and are not, and found them to be false. I know you are enduring patiently and bearing up for my name’s sake, and you have not grown weary. But I have this against you, that you have abandoned the love you had at first. Remember therefore from where you have fallen; repent, and do the works you did at first. If not, I will come to you and remove your lampstand from its place, unless you repent. Yet this you have: you hate the works of the Nicolaitans, which I also hate. He who has an ear, let him hear what the Spirit says to the churches. To the one who conquers I will grant to eat of the tree of life, which is in the paradise of God.’ **Revelation 2:1-7***

We have to put our life totally into what we are doing. This is what God has done for us. If we do that all things will want to belong to us. In order to own everything with love, give. Give all you have. This is our credo.

Don't say, "Where is love?" Don't say, "My husband must love me," or "I expect love from my wife." If you do, peace and love can never be realized within your family. There is no love until we put our love in. If you want to be a true mother or true father, you must ask yourself how much you have loved your children in a righteous way. Children who are loved absolutely will never want to leave you, even if you scold them.

*How do you know if you have invested everything? Your own mind knows before anyone tells you. You know whether you have given your 100 percent or not. Nobody needs to tell you. In the spirit world you will not be able to pretend, because everything will be revealed. Daily living for the sake of each other is the ideal. There is no other way you can find the ideal. Did you know that God tries to love even Satan? That is the amazing reality we must learn. **SMM, The Will and I, April 1, 1988***

Hello,

Hyung Jin Nim started the service by commenting on Deuteronomy 7:1-6, where Moses prophesies how the promised land will be conquered, but only the 2nd Generation was allowed to enter Canaan. It

mentions the 7 nations that were to be judged and defeated. There is a strong warning not to intermarry, which leads to abandonment of faith and embracing pagan gods, and fallen values. Falling into sexual perversion will separate you from God. Emotionalism, seeking “happiness” morphs into pleasure-seeking becoming the center of your life. In other words, you will be controlled by the devil.

Popular culture grooms women to become Jezebels. For example, the bored rich women in the *Desperate Housewives* TV show lusting for 17 year old boys. Cultural messages are powerful.

Woke culture praises males who “put on that dress.” For example, the Bud Light sponsorship of Dylan Mulvaney as a trans woman. Saying you identify as the opposite sex is not an accomplishment, but in this crazy world you get praise. If 30-40% of the population go to an immoral way, it can wreck the whole culture.

God warns us that our feelings will lead us away from Him, blind us to repercussions, prevent us from becoming leaders. Emotionalism will destroy marriages, neighborhood, communities. It will lead to exile and slavery. The only way out is to repent and turn back to the Lord. Despite temptations, stay loyal to your spouse.

Standing up for God and Christ and being mocked and ridiculed as a result- THAT takes bravery. Our culture says “don’t have children. They are a burden.” Women are supposed to be the protectors of children, but they are encouraged to destroy their unborn children.

He discussed accusations against the “white patriarchy” that it has made artificial standards of beauty. The [Fibonacci sequence](#), which is the basis for the golden ratio, is built into nature. Beauty is made on ratios of proportionality. [Spirals in nature](#), such as in flowers, in your hair, palm trees, etc., are seen as beautiful, in cultures all over the world, not just in “white,” European-based nations.

Modern art purposefully violates such proportions to show how transgressive the artist is. Think about the fractured, [harsh paintings of women by Picasso](#). Self-expression becomes your idol.

Feminists said marriage is a prison. Our young women are standing up against this brainwashing by training and preparing to be Godly mothers. They deserve our praise. Many have joined the parenting class led by Queen Yeonah Nim. Such training is essential to continue a righteous culture.

The Cheon Il Guk constitution creates a decentralized kingdom. It has no centralized police or military. Therefore, citizens are called to become involved in the Peace Police Peace Militia. They would become tied together in bonds of loyalty, regardless of their socio-economic status or ethnic backgrounds.

Church holy day ceremonies are cultural reminders of where the Kingdom comes from. Morality is not imposed by government, but must rise through the conscience of individuals.

Elon Musk said those who encourage children to subject themselves to transgender mutilation [should receive life in prison](#). Local governments should pass and enforce laws to punish pedophiles. If you violate a child, you will be punished. Thank God, because it shows good men and women are willing to condemn evil. You don't want to over-punish or under-punish.

Married couples who do 90 minutes facetime per week are more successful. Express 3 things you're grateful for in each other. Doing those things are retying the "love knot" over and over in your relationship.

Peace militia training takes significant effort in the short term, but over time it gives deep satisfaction. It leads to a society of armed protectors. This is ultimately based on Christ's victory of love over death. The tribulation we are experiencing at this time leads to more and more people waking up as to who is actually on the good side or the evil side.

True Father (Rev. Sun Myung Moon) was vilified for opposing Communism. These are dangerous times, but at least not boring. We embrace the storm because we know the Kingdom is coming.

GENDER WARS

Ideology vs REALITY

During the vast century women in the U.S. have made vast gains in education and participation in the workforce. Women are more likely to graduate from college and graduate school. Many researchers express concern that increasing numbers of men are dropping out of college and out of the workforce.

Furthermore, men are 3 times more likely to commit suicide in all adult age groups. Despite their progress in education and in the workplace, many girls and women express feelings of persistent hopelessness and sadness. A toxic cultural environment clearly harms both sexes.

Nevertheless, there are positive trends. 96% of youth and young adults (13-24) say that marriage is NOT outdated. 92% say they definitely or probably want to be married some day. Unfortunately, our culture does not offer much positive guidance about how to obtain this goal.

Adult men and women who are married, on average, are healthier, less likely to suffer from domestic violence. They also live longer. Married women are more likely to report that sex makes them feel loved, wanted and taken care of. They are less likely to report that having sex makes them feel anxious, scared or guilty.

Fatherless children suffer higher rates of poverty, dropping out school, incarceration, and emotional/behavioral problems. Boys who report a good relationship with their fathers are better able to deal with stress. Youth who have a positive relationship with both their father and mother have greater emotional self-adequacy. Such findings lead to a proposal for the declaration of a human right: *Every child on the face of the earth has the right to the association, protection, love and guidance of BOTH of his/her natural parents.*

May God bless you and your families!

Sincerely,

Richard
