*Ah, the proud crown of the drunkards of Ephraim, and the fading flower of its glorious beauty, which is on the head of the rich valley of those overcome with wine! Behold, the Lord has one who is mighty and strong; like a storm of hail, a destroying tempest, like a storm of mighty, overflowing waters, he casts down to the earth with his hand. The proud crown of the drunkards of Ephraim will be trodden underfoot; and the fading flower of its glorious beauty, which is on the head of the rich valley, will be like a first-ripe fig before the summer: when someone sees it, he swallows it as soon as it is in his hand. **Isaiah 28:1-4***

*Human history has been the struggle of God to restore His rightful ownership over all things. Satan claimed ownership of all things by claiming dominion over human love. Until now, God could not claim true ownership over all things and this has been the worst tragedy for humanity. The turning point for human history is the day of hope when the Messiah comes, endowed with the power to restore the world with true love. In that way he will return true ownership of the world back to God, once and for all. **SMM, Day Of All Things, May 31, 1984***

Hello

At the beginning of the service, Greg Noll spoke about Father's guidance about the importance of tithing. One tenth represents the whole. Think seriously for 3 days about it. You are giving to the larger purpose, not just your own family.

Hyung Jin Nim spoke about tithing as part of training he gave to his children to not to be a slave to money. He taught them 50% in savings. 10% in tithing and rest for things you want.

He and his team recorded a new King Bullethead rap called [Trump Death Row](#) at the Trump store. The owner also allowed them to do a Trump rally in front of the store last Wednesday.

The multiple indictments of President Trump are the first time in American history that the leader of the opposition party has been indicted before an upcoming election. It's what 3rd world banana republics do. We are living in a critical time. If the leading nation is undermined in this way, it is disastrous for the entire world.

Democrat party operatives in major cities are ready to do anything to "win" elections. Reports about "aliens" by the federal government are a distraction akin to pagan beliefs. It would be better if they reported about "[Chimera](#)" lab experiments in which the genes of humans are mixed with other species. These are a serious concern that violates God's law.

Cindy McCain, wife of deceased Senator John McCain confessed they knew about Jeffrey Epstein's sex trafficking of children but said nothing. Many elites in Hollywood, etc. also knew, but said nothing.

When dealing with stress, when you go to strong drink, porn, etc. you start by swallowing it, but then, as described in Isaiah 28:7, it swallows you. Porn trains your brain to seek more extreme material such as pedophilia. Alcohol numbs painful memories but is a depressant.

Instead of resorting to alcohol, drugs, pornography, we should swallow the unchanging word of God.

Many men are looking for women with traditional values. The YouTuber personality Pearl speaks to modern [women about their narcissism and delusional view of self](#). There is also a dark side to feminism discussed in [Occult Feminism: The Secret History of Women's Liberation](#).

The judgment of God on America is a cleansing. Satan likes chaos. It allows him to take control. The kings and queens of God have to sit on the throne. If you are in the lineage of Christ, there is no reason to fear death.

May God bless you and your families!

Sincerely,

Richard
