Spirit of NO FEAR

Then the angel of the Lord said to Elijah, "Go down with him; do not be afraid of him." So he arose and went down with him to the king 16 and said to him, "Thus says the Lord, 'Because you have sent messengers to inquire of Baal-zebub, the god of Ekron -- is it because there is no God in Israel to inquire of his word? -- therefore you shall not come down from the bed to which you have gone up, but you shall surely die.'" 2 Kings 1:15-16

Satan is not to be found a long way off. He is connected to the self. Each of you is a dividing line between heaven and hell. Hell and heaven can be found within you. Your conscience is heaven, and your physical body is hell. Though your conscience is the subject partner, humankind fell. Through the practice of love, your conscience must become one with love and stand in the position of the complete spiritual, intellectual, and eternal subject of the Kingdom of Heaven on earth and in heaven. Hello,

Hyung Jin Nim started the service by showing a short video about the recent trip to Florida by young adults involved in the 40th Kingdom Academy which included sky diving and snorkeling.

He praised Victor Moon, who has been leading the academy. Some were saying that 40 days are too short. 120 days would be better to solidify good habits. He spoke about the importance of interacting with nature, which becomes a co-trainer. When you gain victories, it becomes part of you. Public school education should include outdoor activities.

Ahab and Hazaiah who were the kings in the Northern Kingdom opened up Baal worship, which involved child sacrifice. Such paganism in the ancient world often included worshipping a goddess, Asherah, which included sex trafficking. Parents would sell their children to the temple. There was even public display of intercourse in imitation of the creation narrative to encourage the "gods" to bless the land with

fertility.

As our nation abandons Jesus and his teachings, it is embracing similarly insane, pagan beliefs. He then spoke about Craig Sawyer, founder of [Vets for Child Rescue](#). America is now the biggest sex trafficking nation in the world. [Human trafficking is now a more than a \\$100 billion industry](#). In [Craig Sawyer's most recent interview on The King's Report](#), he spoke about an 8-year-old girl who was tortured, with the man telling her to ask Jesus to save her. Then a man pretending to be Jesus abuses her even more horrifically and then a man personifying Lucifer "saves" her.

True Father revealed that illicit sex is the essence of the fallen world. The solution is God-centered families where parents are involved in their children's lives, and training them.

Just as Elijah denounced the wicked practices of the Israelite kings, God is using Trump to expose the corruption. Democrat District Attorneys are trying to destroy him through lawfare. The more they attack him, the more popular he becomes. Next they will target Trump supporters, including conservatives, concerned parents, and people of faith in order to put fear into the population.

If this Communist-style takeover of USA is successful the whole world will suffer. It is critical that we pray and make connections with like-minded groups and patriots.

Just as Elijah and Elisha had to transcend their fear, those of us who live in Christ know that this life is not all there is. We live in eternity which gives us the power to overcome the spirit of fear. America has to stand up in faith. We should be ready to risk our lives to preserve God-given rights for future generations. We must rely on God. Pray for each other. In this tribulation, cherish God's blessings.

God is allowing this chaos to wake up the people of the world. We must return to the true God who is the Creator.
