Message To The American People

For I am ready to fall, and my pain is ever before me. I confess my iniquity; I am sorry for my sin. But my foes are vigorous, they are mighty, and many are those who hate me wrongfully. Those who render me evil for good accuse me because I follow after good. Psalm 38:17-20

How does your mind differ from your spirit? Many people think the mind is the spirit but that is not true. A fallen man has a mind but that mind has nothing to do with spirit world. Suppose your body did not have bones. Can you imagine a human form without bones? It would be a most miserable entity, actually having no form. This illustrates the contrast between the fallen mind and the spirit. The fallen mind has no connection with the spirit world, being like a body without bones. *SMM, "The Spirit World and Physical World" Feb. 6, 1977*

Hello,

Jim Stephens explained that the 2nd King, who is in Texas, asked that we watch a moving ceremony conducted by Hyung Jin Nim on May 26, 2015 called "The Standard of Heaven."

Hyung Jin Nim tearfully guided his 5 children who came up to the front, standing side by side in a row. This is not only for our family. We have to do this. Each one of you are so special to Appa and Oma. You are flesh of my flesh and bone of my bones.

We didn't want to put you in the public arena so that you could live a normal life and do things to develop your character and conscience, and to live for the One who saved you.

Wan Appa (King Father) chose your daddy. I can't live for what I want to do. I have to live for what Wan Appa wanted. I love your grandmother. She is my mommy, but she has not shown the example of what a true woman should do. She's in a very difficult situation. As the bride of Christ, and the head of the brides, she should denounce her own lineage, and her own self in order to completely glorify Christ. So we love her as a grandmama, but also need to pray for her because she left her position.

Adam has been victorious as the King of Kings. That's Wan Appa. Cain and Abel are united. Your uncle, Kook Jin, is showing the example of what an elder brother is. He didn't try to kill your daddy (unlike the way that Cain did). He did not lift up himself but chose to uplift the younger brother that Father chose to carry on his work. He didn't seek his own desires, but instead the will of his father! That is why we respect him so much! I am proud to call him an older brother!

He spoke to each one of his children about the meaning of the names that True Father gave to them, their unique characters, and future missions in life.

In Shin Pal's name is "Shin" which means faith and "Pal" which is the number 8, representing the completion of faith.

Shin Man is a prankster, an amazing second son. His name means "faith that is overflowing."

To Shin Goong – we almost lost you when you were two months old. We had to hit your chest with a pad so that your lungs would work. God healed you that day. You are wise beyond your years. We see you as a woman who is willing to give your life for Christ. Your name means "faith palace." You will create palaces of faith for people to meet the King.

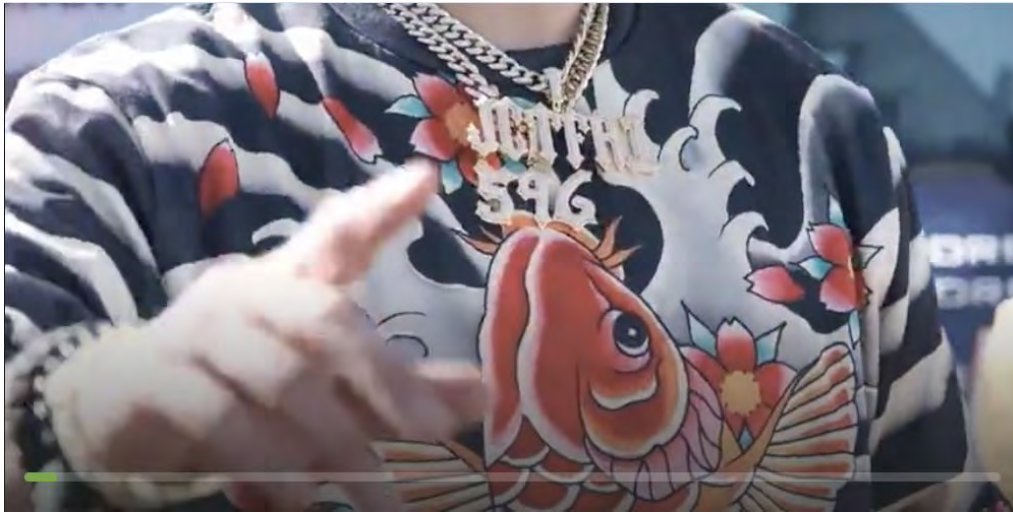

MESSAGE to the AMERICAN PEOPLE

Shin Joon means faith that is outstanding. Wan Appa took you around the world and you served him directly. He gave you the anointing of the 3 Generations Kingship. You were chosen by True Father to be his spiritual representative on earth after your father goes to the spirit world. You have to be wise and humble, but also stand strong to glorify Wan Appa. That may make others angry. You will be persecuted. That will make you strong and Wan Appa will guide you. You will face obstacles, but you find that faith one day and be outstanding for God. You will bring great glory upon the true and everlasting King. You will honor Him with your life, even if that means sacrificing your life.

Shin Deuk, your name means the fruition and harvesting of faith. When you have faith that is centered on Christ, you will obtain victories for God.

When all your names are combined, Pal-Man-Goong-Joon-Deuk, it means obtaining 80,000 palaces!

Speaking to all of them- bring awesome honor to "Won Appa's" house. We have to make him happy since True Father is the King who saved all of us. We have to show Father in the spirit world, that we are connected to him!

He had Shin Joon step on the stage with Hyung Jin Nim and Yeonah Nim.

To all his children, he said - we have to help Shin Joon, whom Wan Appa chose, to become a true representative of True Father, who walks in honor and righteousness and humility, but with confidence in Christ. Then he asked them to do a full bow.

In case Hak Ja Han does not honor True Father and his lineage, we will continue the 3 Generations Kingships. Just as God's providence was completed in 3 generations through Abraham, Isaac and Jacob.

He asked the 4 children to bow down to Shin Joon, and to bow to the will of God.

Hyung Jin Nim then spoke about the role of the head of the brides, which is to surrender to the will of the Bridegroom and any attachment to her own lineage to honor the lineage of Christ. He movingly praised Yeonah Nim. She will say "long live the inheritor of God's Kingship." After Hyung Jin Nim's passing, she will not glorify herself, but will lift up Christ's lineage.

Yeonah Nim bowed to her husband and her son, surrendering herself to the lineage of Christ. Not seeking her own glory or vanity, she is worthy to be the head of the brides. What is loosed on earth, will be loosed in heaven.

Then Shin Joon Nim bowed to his mother, siblings, and all the citizens of Cheon Il Guk.

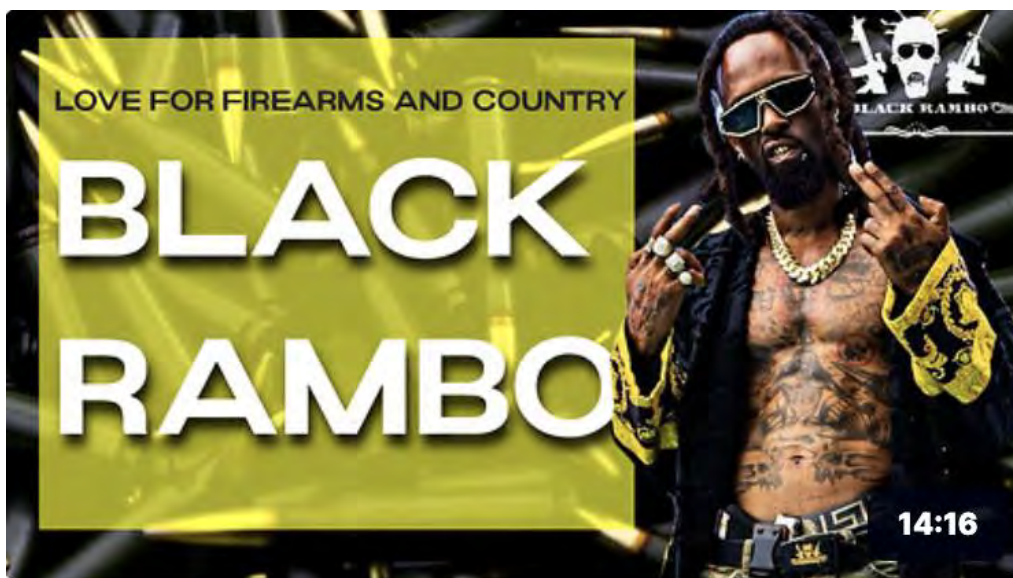

After the video, Jim Stephens commented: through watching this video, we can have a new beginning.

In the 9 years since this ceremony, 4 of Hyung Jin Nim's/Yeonah Nim's children have already been blessed and given birth to 9 grandchildren!

Through the victory of Yeonah Nim, then Hyun Shil Kang could come and be blessed to True Father in the spirit world. As prophesied in the book of Malachi, the great and terrible day of the Lord has come.
