Emerging Headwing Alliance Against Tyranny

O Lord, in your strength the king rejoices, and in your salvation how greatly he exults! You have given him his heart's desire and have not withheld the request of his lips. *Selah.* For you meet him with rich blessings; you set a crown of fine gold upon his head. He asked life of you; you gave it to him, length of days forever and ever. His glory is great through your salvation; splendor and majesty you bestow on him. For you make him most blessed forever; you make him glad with the joy of your presence. For the king trusts in the Lord, and through the steadfast love of the Most High he shall not be moved. Your hand will find out all your enemies; your right hand will find out those who hate you. You will make them as a blazing oven when you appear. The Lord will swallow them up in his wrath, and fire will consume them. You will destroy their descendants from the earth, and their offspring from among the children of man. Though they plan evil against you, though they devise mischief, they will not succeed. For you will put them to flight; you will aim at their faces with your bows. Be exalted, O Lord, in your strength! We will sing and praise your power. **Psalm 21**

When we take a good look at the effect of what we do in our life before going to the spirit world, we can see that is a serious matter. The spirit world is the world unknown. We are destined to go to the spirit world, the unknown world. It is a world that expands into infinity. When you go there you will be able to meet all your ancestors. It is a place where you can meet thousands and thousands of your ancestors at once. Your ancestors will evaluate you when they meet you. **SMM, Book 6: Our Life and the Spiritual Realm. Chapter 1: The Path of Life. CSG 765**

Hello,

On Sunday, we watched a broadcast of Hyung Jin Nim's message from Penn State near the Trump rally that took place on Saturday. He urged us to pray for protection of the Trump rally that took place at Madison Square Garden.

The Deep State did not arrest the individual who placed pipe bombs at the Democratic National Committee office on January 6, even though they arrested thousands who attended the U.S. Capitol on that day. The Department of Justice is treating them like felons rather than misdemeanor offenders. An association of Muslims in Michigan is standing with Trump at rally because he is trying to stop the wars.

True Father was persecuted by the Left because he stood up for Christian culture and against Communism even though he was persecuted by many Christian leaders. That is why he was put in Danbury prison where Steve Bannon has been imprisoned for 4 months and released this week.

We have been praying fervently at the Trump rallies. The Micro leads the Macro. We can stimulate God's heart to have mercy on our nation. Trump is fighting not just for America, he is fighting for the world. The former Vatican ambassador to the U.S., [Archbishop Vigano warned the American people](#) that we are choosing between democracy and dictatorship. Everyone feels the intensity.

Even moderate Democrats like RFK, Tulsi Gabbard, and Elon Musk are supporting the Trump campaign. Headwing includes elements of both. No national police. Limited government. No foreign wars. This is the basis for God's Kingdom.

The Middle East is exploding. China is on the move. No one voted for Kamala to be the Democratic nominee. She was chosen by an elite cabal. Elon Musk said that Trump is going to livestream government meetings and activities. We proposed that 5 years ago.

Madison Square Garden is the most famous venue in the world. Imagine Jesus preaching in the largest Roman coliseum. Trump is the macrocosmic Christian King, which is why they are trying to kill and destroy him, his family and supporters.

He spoke about his amazing [interview by the Marine Rapper](#). 107,000 views so far. God is working with the rapper industry to get the Kingdom message out.

The [5th U.S. Circuit Court of Appeals ruled](#) in Mississippi that mail-in ballots must be received by Election Day to Count.

Pray that plans for evil will be confounded. We are at a crossroads for the nation.

The Leftists are lying about Kamala's racial background. They will do anything for power, including imprisoning people who pray for the unborn.

People of faith are united to pray, and vote early. God's hand is on the MAGA movement, even though we are not perfect. Jacob at Beach Tactical spoke about the PsyOp against the nuclear family, against tribes and communities. Freedom means from government control. That's why Amish were so successful. 200,000 Amish in Pennsylvania have registered and are voting this year.

God has chosen us for this time. Thank you, God, for giving us this chance to preserve freedom for future generations. CIG will come, for eternity.

God is dividing the upper, middle and lower classes into Cain and Abel. Multi-billionaire Elon Musk is risking his life to support Trump, knowing how important this time is. Stay pray, stay serious. With joy knowing that God wins. He concluded by leading us in contemplative prayer. Father we bless your name!

Flashback: Hak Ja Han's Words about True Father from 2012!

Distinguished guests from home and abroad, and blessed families around the world! Today, we come to an exceedingly important turning point in God's governance of His providence. It is unprecedented, historic and revolutionary.

My husband, the Rev. Dr. Sun Myung Moon, the returning Lord, Messiah, Savior and True Parent who came as the root of the lineage of original goodness, has departed for the spirit world.

Consequently, we now stand at a providential starting point from which we must inherit True Parents' realm of victory and build the ideal kingdom of peace, one family under God.

True Father's ascension brings me, after being with him my whole life, unfathomable pain and sorrow. It is the same for all of you. Moreover, we cannot begin to fathom the sorrowful heart of God, who is the original substance of eternal love and the True Parent of humankind.

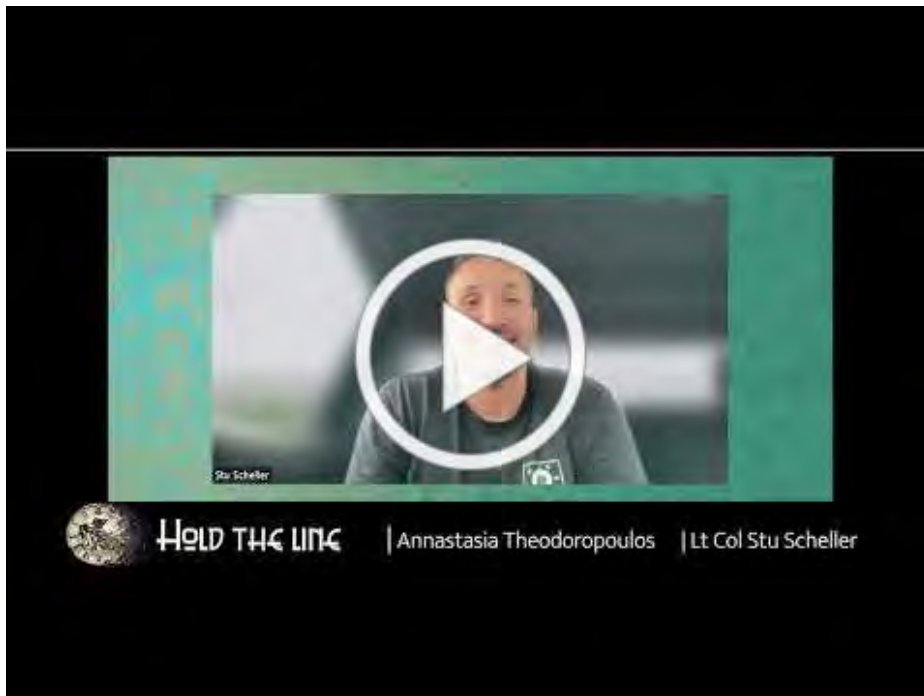

From another perspective, this is also a time of hope. **True Father worked in accordance with the heavenly laws - which God established at the time of the creation of heaven and earth - to conclude, complete and perfect all the providential tasks on earth that no one in history had been able to fulfill.** He is now making his transition to the spirit world to exercise dominion over both the spiritual and physical worlds and to initiate a new dimension of God's providence. No spoken or written language known to human beings can possibly express the flood of emotions we experience as we stand at this juncture in the providence.
