Have mercy on me, O God, according to your steadfast love; according to your abundant mercy blot out my transgressions. Wash me thoroughly from my iniquity, and cleanse me from my sin! For I know my transgressions, and my sin is ever before me. Against you, you only, have I sinned and done what is evil in your sight, so that you may be justified in your words and blameless in your judgment. Behold, I was brought forth in iniquity, and in sin did my mother conceive me. Behold, you delight in truth in the inward being, and you teach me wisdom in the secret heart. Purge me with hyssop, and I shall be clean; wash me, and I shall be whiter than snow. Let me hear joy and gladness; let the bones

*that you have broken rejoice. Hide your face from my sins, and blot out all my iniquities. Create in me a clean heart, O God, and renew a right spirit within me. Cast me not away from your presence, and take not your Holy Spirit from me. Restore to me the joy of your salvation, and uphold me with a willing spirit. Then I will teach transgressors your ways, and sinners will return to you. Deliver me from bloodguiltiness, O God, O God of my salvation, and my tongue will sing aloud of your righteousness. O Lord, open my lips, and my mouth will declare your praise. For you will not delight in sacrifice, or I would give it; you will not be pleased with a burnt offering. The sacrifices of God are a broken spirit; a broken and contrite heart, O God, you will not despise. **Psalm 51:1-17***

The spirit world is a warehouse in which the fruits of true love are to be stored. These fruits have never been produced to this day. I am talking about the term true love and its fruit for the first time, so they cannot be found in the spirit world yet. How great each one of you is! **SMM, Book 6: Our Life and the Spiritual Realm. Chapter 1: The Path of Life. CSG 796**

Hello,

This election has providential implications for the future of America and the world. Will the American Republic continue its downward slide into debauchery or be revived as a Godly nation that can set a righteous example?

America has committed adultery with the goddess Ishtar, promoting feminism, which leads to licentiousness. In ancient times children were sent to temple to be prostitutes forced to have sex with strangers and traumatized. America is exporting satanic LGBTQ/Porn agenda around the world. You may think you did no wrong, but our silence is agreement with evil. Many think the depraved society is funny. We are fighting an anti-Christian regime.

Many pastors are afraid to speak out against the anti-child agenda. America's enemies are happy to see it demoralized and weak. Christians need to remember that Jesus was not afraid to speak the truth.

America urgently needs to repent, just like David did with Bathsheba. In psalm 51, David was repenting and begging God for forgiveness. We should beg God to save America. Even after Trump wins, they will launch chaos. Their goal is depopulation and transhumanism.

We are co-creators. We have moral agency, free will leading to a shorter or longer course depends on what we choose.

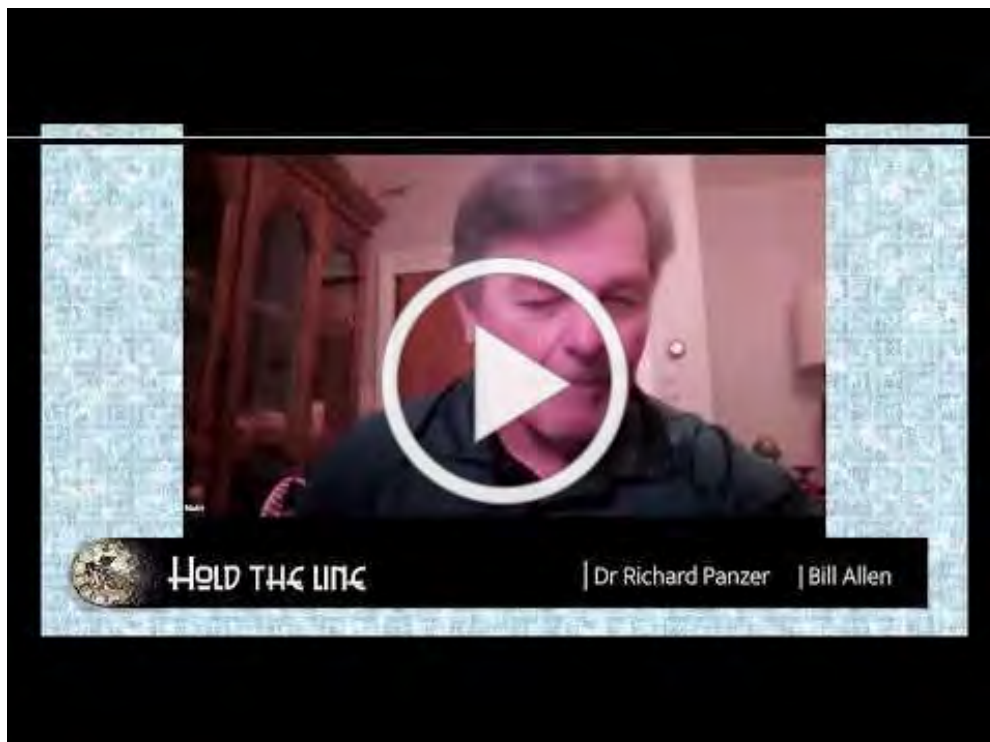

That is why training is so important. Jesus told us to pick up our crosses. We have to get into the Bible. Invest in our children and legacy. Fight for their future.

God created us to be His love partner. Not only to worship and praise. Traditional Christianity taught that in the hypostatic union of the 3 persons of the Trinity, humans are not really needed, but now many Christian leaders emphasize the importance of our personal love relationship with God, which is closer to Father's teaching.

Xi van Fleet explains how the Cultural Revolution turned high school girls in China into murderers of their own teachers because they were "enemies of the state." Now the Cultural Revolution is here in America.

Dr. Val Finnell, Pennsylvania coordinator for *Gunowners of America*, explains election court cases and voting records of elected representatives relating to the protection of 2nd amendment rights. It is shocking that 40% of gunowners do not vote!

Trevor Loudon discusses his new book *STEALTH: Kamala Harris's Communist Roots*. Also upcoming book about Comrade Prime Minister Albanese in Australia and his ties to Communist China. Voters need to be informed about these candidates. Loudon hopes his books will usher in a new age of individual and national sovereignty where citizens, not globalists, decide the future of their nation.

Documentary filmmaker Ben Berquam reflects on his work at the Darien Gap, where thousands

headed for the U.S. southern border cross every day and the criminal cartels already active in the U.S. He also discusses the attitude we need as people of faith as we confront the vastness of the evil intended by those who seek to destroy America, with life-and-death outcomes not able to be seen.

People of faith are united to pray, and vote early. God's hand is on the MAGA movement, even though we are not perfect. Jacob at Beach Tactical spoke about the PsyOp against the nuclear family, against tribes and communities. Freedom means from government control. That's why Amish were so successful. 200,000 Amish in Pennsylvania have registered and are voting this year.

God has chosen us for this time. Thank you, God, for giving us this chance to preserve freedom for future generations. CIG will come, for eternity.

God is dividing the upper, middle and lower classes into Cain and Abel. Multi-billionaire Elon Musk is risking his life to support Trump, knowing how important this time is. Stay pray, stay serious. With joy knowing that God wins. He concluded by leading us in contemplative prayer. Father we bless your name!

May God bless you and your families!

Sincerely,

Richard
