Remembering Rev. Young Yuk Kim

If my people who are called by my name humble themselves, and pray and seek my face and turn from their wicked ways, then I will hear from heaven and will forgive their sin and heal their land. Now my eyes will be open and my ears attentive to the prayer that is made in this place. For now I have chosen and consecrated this house that my name may be there forever. My eyes and my heart will be there for all time. And as for you, if you will walk before me as David your father walked, doing according to all that I have commanded you and keeping my statutes and my rules, then I will establish your royal throne, as I covenanted with David your father, saying, 'You shall not lack a man to rule Israel. "But if you turn aside and forsake my statutes and my commandments that I have set before you, and go and serve other gods and worship them, then I will pluck you up from my land that I have given you, and this house that I have consecrated for my name, I will cast out of my sight, and I will make it a proverb and a byword among all peoples. And at this house, which was exalted, everyone passing by will be astonished and say, 'Why has the Lord done thus to this land and to this house?' Then they will say, 'Because they abandoned the Lord, the God of their fathers who brought them out of the land of Egypt, and laid hold on other gods and worshiped them and served them. Therefore, he has brought all this disaster on them.'" **2 Chronicles 7:14-30**

One cannot exist alone. There is no principled way that one can exist alone. Thus, everything in the world exists as pairs. Why have they been created in a pair system? It was for the sake of love. What kind of love would that be? They continue to exist because of the original love, that is, the true love in which God can take delight. **SMM, Book 11: The Root of the Universe, CSG 1646**

Hello,

Pres. Trump is stopping the infiltration of woke indoctrination into the schools. He openly speaks about Christians as people who are good, rather than as domestic terrorists. He is turning the needle back to a civilization that honors common sense.

Jordan Peterson said in an interview recently that Jesus is God. That could be more than talking about a psychological archetype. It could be a theological statement. Jesus' story is one of voluntary sacrificial love and that is the basis of our culture. A civilization that does not have a unifying story will not last.

Last week he recorded a song "Colorblind" with Chris Darlington and the Marine Rapper. The book of

Galatians specifically says that externals do not define us. Diversity is good when centered on Christ. An orchestra that does not follow the same score with a conductor will just make noise, with multiple songs chaotically going on at the same time.

Postmodernism denies Jesus and all meta-narratives. Without those you just have disparate groups fighting for power, bringing chaos. That leads to more fear and clashes justifying more government. They don't care if this degrades and destroys the nation. They just care about power.

The majority of America rejected the woke/transgender agenda, which ultimately leads to lowering the age of consent, to justify pedophilia. But no, they are not victims. They are perpetrators. Feminism told women to live for pleasure, to sleep around, and just pursue a career. Europe has already been destroyed. America was next, with government indoctrination in cultural atheism.

Live for something greater. Nothing of value is easy or guaranteed. It takes effort and investment. That is why training is important. It leads to accomplishments, but ultimately not just for yourself, but also for others.

Love is not just feelings, which are changeable and relative. True love is the willing voluntary shedding of blood for others. The historical record of Jesus is more verified than any other person in history. There are no major variances in the thousands of early manuscripts that have been discovered.

God commands us "do not worship other gods," because those "gods" bring destructive stories leading to hedonism, narcissism, and pleasure-seeking, rather than training in mind-body unity. Pursuing God leads to the highest purpose leading to the greatest pleasure, knowing God.

Trump will start cleaning up house from day one. He must deliver justice and prosecute those who betrayed our nation. Even though they can ask for God's forgiveness, they should be punished. The father's culture must be based on justice. It cannot allow corruption. Otherwise, they will come back to kill us. Retribution is not revenge. It is the enactment of justice. They went way beyond legitimate

political activity. They tried to assassinate him twice. That is criminal.

Ivan Raiklin, a constitutional lawyer, has hundreds of names of those who committed treason who should be prosecuted. Trump must be “Daddy’s Home.” You have to bring the Father’s culture back. Both sons and daughters need that to become good Peace Militia parents who will protect their children. Not just a spiritual kingdom, where everything is intellectual or spiritual.

Many Christians, including St. Paul, talk about the body being evil and the spirit good. But countless biblical prophecies clearly talk about God’s Kingdom on earth.

Psychological studies about what women seek in romantic fantasies are very revealing. The most common objects of desire are: Beasts and monsters 2. Pirates. Women do not just get excited about a naked male body. They are attracted to an uncontrollable, dangerous power that they can pacify through their sexual power, along the lines of the Beauty and the Beast story. They are often attracted to bad men, who in reality will devour them and spit them out.

That is why Communism seeks to weaken and feminize the males and why we need a strong Adamic culture, with physical training creating “beast” men who can also control themselves.

A marriage without physical attraction is not a real marriage. Women want to be aggressively pursued. They want to be wanted, which brings excitement in a relatively boring life.

True Father warned about the soul ties of relationships before marriage that drag you down. The ideal is to wait until marriage. Sexual intimacy is not just physical, it is hormonal, emotional and spiritual. It's important to be constantly moving forward, not looking back.

Children will grow seeing their parents' mutual attraction and say "I want that!" It creates a powerful alternative to the fallen culture. Learning to invest properly will create dividends for your life in the future.

After Hyung Jin Nim's sermon, Regis Hanna led a moving memorial service honoring [Rev. Young Yuk Kim](#), who joined the Unification Movement at age 19 and followed True Father for 60 years before "graduating" to the spirit world. He is one of the "hoonsanim" who trained directly with the 2nd King for 400 days starting at 2am every morning. Shin Joon Nim, Shin Pal Nim and Shin Deuk Nim shared heartfelt and tearful testimonies about their experiences with Rev. Kim. Since he taught them to grow vegetables, he taught them to be like a tomato, which has the same color on the outside and on the inside, meaning to live a life of integrity not just externally, but also inside where no one can see. In contrast, an apple has a different color on the inside, including a poisonous core at the center.

May God bless you and your families!

Sincerely,

Richard
