

Non-biblical Paths to Peace Doomed to Fail

He said therefore, "What is the kingdom of God like? And to what shall I compare it? It is like a grain of mustard seed which a man took and sowed in his garden; and it grew and became a tree, and the birds of the air made nests in its branches." And again he said, "To what shall I compare the kingdom of God? It is like leaven which a woman took and hid in three measures of flour, till it was all leavened."

Luke 13:18-21

God, who has not been able to enjoy a single day of universal victory since the Creation, desires to usher in that day through people on earth. Hence, if they do not bring about that day, Satan who has trampled on them cannot be eliminated. Moreover, the satanic powers that accuse humanity before God in heaven cannot be drive away. Thus, God does not mind any hardship or sacrifice or struggle. He has been a protective shield to this day in order to find and select each and every one of you. When we consider this, we can know God's desire. He has chosen each and every one of

you and has separated you from the enemy Satan -- who brought the Fall upon humankind -- in order to terminate the evil history of satanic domination. We should fulfill God's desire and become people who can stand proudly before Him and all the things of creation, and return the glory of victory to Him. Only then can the purpose of the providence which He has pursued by dint of unremitting toil be fulfilled. CSG 2298

Dear

In Sunday's sermon Hyung Jin Nim explained that in a nation based on freedom and responsibility, people are not guaranteed equal outcomes but do have ample opportunities to succeed by creating value for others such as starting small business, etc. Even when there are disparities, all boats rise as the prosperity of the nation rises. For example, [the average poor person in the U.S. would be considered middle class globally.](#)

In a nation based on free enterprise, if I don't act morally, people will not trust or want to do business with me, but in a corrupt nation, people succeed by manipulating government decisions. [People in poor countries often suffer not because of a lack of national resources, but because of the political system, corruption and control mechanisms in those countries.](#)

Kingdom Reversal - Oct. 16, 2016 - Rev. Hyung Jin Moon

When Mother took control of the Unification Movement she predicted that since this was the Age of Women led by the sinless Only Begotten Daughter, the world would be entering a time of compassion and peace. Father gave her 3 years to repent. Now ABC and NBC are talking about possibility of nuclear war with Russia, which has initiated [nationwide drills for an American nuclear attack on Russia](#), more countries around the world are launching programs to build or purchase nuclear weapons and new conflicts have broken out in the Middle East leading to millions of refugees and immense suffering for Christians and other minority religious groups. Not very peaceful...

Globalism promises peace and cooperation, but supports the centralization of power, "reproductive rights" aka government sponsored abortions with few if any limits, "alternative sexuality," and centralized education/ indoctrination in socialism. The current American election and recent "Brexit" vote in the United Kingdom can be viewed as struggles for national sovereignty in order to not to be part of a corrupt

global system.

On June 6, 1666 Sabbatai Zevi, a Turkish Jew immersed in the study of the occult and the Kaballah declared himself the long-awaited Messiah, but instead of affirming biblical values, he taught 18 precepts of "redemption through sinning." For example, in the Ten Commandments, God commanded no adultery, but Sabbatai Zevi said this is the time for committing adultery. Half of all Jews on earth at the time were following him! If we make a lot of sin, he taught, God's kingdom will come more quickly. Theurgic actions to change the world.

When the Sultan in Turkey threatened him with death, Zevi converted to Islam and taught his followers to also join the dominant religions in their nations while practicing [Crypto-Judaism](#). Influential adherents of such anti-biblical, occult practices exert enormous influence on world governments and events to this day.

In Exodus 12, God commanded Jews to eat roasted lamb, bitter herbs, unleavened bread. During the annual Feast of Tabernacles observant Jews build an outdoor shelter to live in for one week. God was training the chosen people to be ready to move and to survive at a moment's notice. In Leviticus 23 the chosen people were instructed to learn the basics of surviving in the wilderness. It

is wise and prudent for each of us to be ready to move and to be able to take care of our families in a crisis situation. A foolish man will tarry.

American Clergy & Leaders Alliance "We need to make a change! And today is the beginning!"

Last Saturday a diverse group of clergy and leaders held a convocation to launch the [American Clergy & Leaders Alliance \(ACLA\)](#) at the Iglesia Cristiana Wesleyana whose head pastor is Rev. Fermin Bocanegra in Kernersville, North Carolina. Pastor Bocanegra started the event, saying "we need to make a change! And today is the beginning!" He acknowledged that his involvement in ACLA was largely due to the "tenacity and commitment" of Rev. Burgi Hutcherson, whom he has known for many years.

David Konn, Chairman of the ACLA founding committee, explained that a major focus of this new organization would be bringing "Absolute True Love Ethics" back into communities around the country. He acknowledged the food ministry of Pastor Fermin's church which distributes 16,000 pounds of food each month.

Dr. Michael Walton explained that the ACLA intends to be active in the community by sharing the true love of God in "a proper and practical way." He said that to be effective in the community they must be consistent in their efforts and practice biblical principles, adding that "anyone who is willing to do the will of God is our brother and sister."

In the afternoon Dr. Richard Panzer gave a presentation in which he discussed how brain research and scientific surveys confirm biblical teachings that sexual intimacy is best when it is saved for marriage.

[Live stream video of the convocation is posted online.](#) Those interested to learn more or to become a member can visit the [ACLAMinistry.org](#) website.

Why Did Cain and Abel Have to Unite?

by Andrew Lausberg

Part of the current situation the Unification family faces results from confusion about the Principle. Here are 5 questions we should reflect upon:

1. Why do Cain and Abel have to unite?
2. What is the purpose of mother-son cooperation?
3. What happened to Adam? Why couldn't God relate to Adam as he was?
4. Who bears (or bore) the primary responsibility of the Fall?
5. What was Adam's purpose from God's viewpoint?
