"You come to me with a sword and with a spear and with a javelin, but I come to you in the name of the LORD of hosts..."

*And the Philistine said to David, "Am I a dog, that you come to me with sticks?" And the Philistine cursed David by his gods. The Philistine said to David, "Come to me, and I will give your flesh to the birds of the air and to the beasts of the field." Then David said to the Philistine, "You come to me with a sword and with a spear and with a javelin; but I come to you in the name of the Lord of hosts, the God of the armies of Israel, whom you have defied. This day the Lord will deliver you into my hand, and I will strike you down, and cut off your head; and I will give the dead bodies of the host of the Philistines this day to the birds of the air and to the wild beasts of the earth; that all the earth*

*may know that there is a God in Israel, and that all this assembly may know that the Lord saves not with sword and spear; for the battle is the Lord's and he will give you into our hand."*

*When the Philistine arose and came and drew near to meet David, David ran quickly toward the battle line to meet the Philistine. And David put his hand in his bag and took out a stone, and slung it, and struck the Philistine on his forehead; the stone sank into his forehead, and he fell on his face to the ground. So David prevailed over the Philistine with a sling and with a stone, and struck the Philistine, and killed him; there was no sword in the hand of David. Then David ran and stood over the Philistine, and took his sword and drew it out of its sheath, and killed him, and cut off his head with it. When the Philistines saw that their champion was dead, they fled. Samuel 17:43-51*

*You cannot continue without straightening your path, in life or death. Because I know this, I've been doing this all my life. I carry this burden even though I was persecuted and sent to prison. Did I go to prison because I enjoy it? I did so for the sake of God and God's liberation. I went for the sake of liberating humankind and the satanic world. I have walked the path of restoration through indemnity, because without going this way liberation does not come and because we cannot separate from Satan amid peace and comfort. CSG 152*

Greetings!,

In Hyung Jin Nim's Sunday service, he discussed the miraculous election of Donald Trump, whom none of the experts and pundits thought had any really chance to win. With the support of virtually all of the mainstream media and spending \$2 billion on her campaign, no one except the "alt" media on radio and the Internet could imagine Hilary's defeat.

Trump's election was an "Abel-type" revolution. A "Cain-type" revolution arises from the lower class and ends up replacing one dictatorship with another. An Abel-type revolution comes about through a split *within* the elite. After all, many of the leaders of the American revolution, George Washington, Thomas Jefferson and others were themselves multi-millionaires.

Anti-Trump Protests Emerge in New York, Chicago, DC, California, Boston

The winner of last Tuesday's election is a casino/real estate owner/media personality not dependent on bankers. Trump's campaign spent one tenth of what Hilary spent on her campaign. He was opposed by elites in both parties. Even now, "spontaneous" anti-Trump [demonstrations funded by billionaire George Soros](#) in many cities around the country seek to undermine this victory, reminding us that it is not the conclusion of the ideological war between a global socialist elite and advocates of national sovereignty and citizen's rights, but rather the end of the beginning.

It was a spiritual battle, but the "forgotten people" and "deplorables" rose up and spoke. Trump's speech on the last day of his campaign "just happened" to be

Now that Trump has been elected, we should pray that he can accomplish what God intends without wavering. After striking his enemy down with a slingshot, David had to finish the job by cutting Goliath's head off. In many adventure films the defeated villain pleads for mercy only to stab the compassionate hero in the back, so Mr. Trump needs to be wise and we need to be prayerful!
