Since we have the same spirit of faith as he had who wrote, "I believed, and so I spoke," we too believe, and so we speak, knowing that he who raised the Lord Jesus will raise us also with Jesus and bring us with you into his presence. For it is all for your sake, so that as grace extends to more and more people it may increase thanksgiving, to the glory of God.

So we do not lose heart. Though our outer nature is wasting away, our inner nature is being renewed every day. For this slight momentary affliction is preparing for us an eternal weight of glory beyond all comparison, because we look not to the things that are seen but to the things that are unseen; for the things that are seen are transient, but the things that are unseen are eternal. 2 Corinthians 4:13-18

There is nothing else God desires more than love. Who would be His greatest enemy in the Last Days? What is the number one premise for judgment? In the Last Days, individualistic self-love becomes the number one premise for judgment. Cheon Seong Gyeong 927

Greetings!,

Much has happened this past week, with Hyung Jin Nim speaking in the daily King's Report on how to build a powerful marriage and in Sunday's worship service about symbolism in the New Testament's Book of Revelation.

[3/31/2017 Sanctuary Demonstration at Chung Pyung](#)

He also spoke about events in Korea, including Unification Sanctuary families who stood in front of the World Peace Center and Palace in Chung Pyung to sing True Father's Cheon Il Guk National Anthem and recite True Father's Family Pledge. They also held the sign in the photo below saying *"The heir/successor/resident body of the Lord of the Second Advent Sun Myung Moon is Hyung Jin Moon."*

Even though Chung Pyung and all the assets of the Unification Movement rightfully belong to the successor whom Father chose, Hyung Jin Nim could not act with dishonor by going along with Family Fed's corruption or with Mother's Sinless OBD heresy and rebellion against Father's will. He had to walk away.

In the "Kingdom Revelation" sermon, he discussed the meaning of the 4 horsemen of the apocalypse described in [chapter 6 of the Book of Revelation](#). The faithful have to know who the enemy is, including the power blocks of the fallen world. Otherwise you will be co-opted and lulled into supporting Satan's kingdoms. As the Greek philosopher Pericles warned, *"just because you don't take an interest in politics doesn't mean politics won't take an interest in you."*

Hyung Jin Nim spoke about [Craig Sawyer, a former Navy Seal and FBI agent who is raising funds to document arrests of pedophiles](#) and encouraged brothers and sisters to [donate to that cause](#). He also explained about the meaning of the 144,000 faithful who have Christ's name and his Father's name written on their foreheads, linking that to the crown providence in which all Sanctuarian blessed couples

are encouraged to wear crowns as kings and queens of Cheon Il Guk.

March 26, 2017 Liberation and Blessing of Ancestors

Rev. Hyung Jin Moon conducted a ceremony for the Liberation and Blessing of 210 generations of ancestors on March 26, 2017 at the Unification Sanctuary, Newfoundland, PA. The event began at 10 am EST and concluded at 11:45 am EST. This Ancestor Liberation and Blessing included victims of government democide and those who fought for freedom throughout human history. In the 20th century alone more than 260 million human beings were killed by their own governments, also referred to as "democide."
