

## Why Father Was So Hard on Sisters

Then said he unto them, But now, he that hath a purse, let him take it, and likewise his scrip: and he that hath no sword, let him sell his garment, and buy one. Luke 22:36

Nevertheless let every one of you in particular so love his wife even as himself; and the wife see that she reverence her husband. Ephesians 5:33 KJV

When we connect the events and circumstances of history, we cannot help but feel God's tearful heart and agonize over God's suffering. As a result, through our own sincere devotion, we are compelled to go toward the battlefield, determined to fight to restore our homeland and create the foundation for the liberation of the world with our own hands. My desire is for you to become this type of people, a people seeking the homeland of hope that we must find. CS2012

Dear

Hyung Jin Nim started out his sermon on Sunday by talking about the necessity of love and respect in marriage. As stated in Ephesians 5:33 and discussed in books by Christian counselor Emerson Eggerich, "Nevertheless let every one of you in particular so love his wife even as himself; and the wife see that she reverence her husband."

The Bible doesn't say that the Lion will lie down with the wolves (predators), but with the lamb (those who know the voice of the shepherd). God will not rule as a dictator.

When God gives you an inheritance, you must accept it. Otherwise, Satan will take it. The fact that you don't want power is one of the reasons God trusts you and wants to give you that.

We can't get around the fact that the Book of Revelation clearly states that Christ will rule with a rod of iron. These are uncomfortable scriptures to read and think about. Are you worried that Christ at his second will rule as a dictator? Many Christians might say, "I like the idea of the Kingdom, but I like American democracy better." The [Cheon Il Guk Constitution](#) has a limited, lifetime role for Christ's anointed Heir, but guarantees freedom of speech, of religion, and due process, with strong limits on centralized power in government, banking, media, etc.

Kingdom of the Rod of Iron 3 - January 14, 2018 - Rev. Hyung Jin Moon - Unification Sanctuary, Newfoundland PA

In the last 5 years Hyung Jin Nim has moved from Mixed Martial Arts to the gun community, which he sees as the most Abel-type, with higher levels of conservative values. Since with guns, even one mistake can blow off your leg, their use increases the level of future vigilance, of realization of the power of life and death, forcing you to be responsible. As [gun ownership in the U.S. has risen, the rates of homicide have fallen](#). The power of the rod of iron should be in the right hands, law-abiding citizens.

At the Matamoras Gun show, there were booths on hunting, fishing, survival, camping, jungles, etc., the kind of culture True Father appreciated. To be honest Hyung Jin Nim finds that Asian society is very

stratified and even racist in its attitudes. If someone is a fisherman, does manual labor, or is dark-skinned, he is looked down upon. Conferences at fancy hotels were not Father's lifestyle.

When they were young, Father made his brothers, sisters and him go down to visit the Amazon river. After he and his brothers dove into the river they were told about the piranhas, alligators, and anaconda snakes swimming around. We didn't realize how dangerous it was! He made us go to Alaska where it was cold. We hated it at the time. But now I can see it was the biggest blessing, putting seeds in me to love nature.

Many of us have an emotional reaction to see the image of U.S. covered with gun images, especially women who are not familiar with such weapons. But they are just a tool, no scarier than any other tool. A woman can have the same power as a man.

If you feel uncomfortable, I did, too. A culture shock that we should analyze- think about the nature of the protective God, True Father, etc. This is a course we are walking together.

Why would you want to raise your daughters to be ladies, when you can raise them to be warriors? Of course, they can be both a strong warrior and

a lady. That way they are more likely to come into contact with alpha men who are good and strong.

Why was True Father so hard on the sisters? Because Satan knows women have enormous influence for good or for evil. If they follow their emotions instead of the truth they can lead their families to destruction. A protective Father will want his children, both sons and daughters, to be strong and to be able to defend themselves. It is not an accident that True Mother Kang won a prize for selling the most airguns in the 1960s.

The royals of every country own and use firearms, but fallen societies don't want their citizens to have this power. For example, Asian society enforces subservient conformity on its people. The fact that in the [U.S. poorer conservatives are more generous than wealthy liberals](#) shows that a culture of self-reliance encourages unselfishness.

When growing up in New York, Hyung Jin Nim was taught to fear guns. But in Texas or Pike County, PA, where law-abiding people have guns, the homicide rate is extremely low. In such places people are more likely to be polite and to treat others with respect. Experiencing mortality makes you think more seriously.

**February 28, 2018 “Cosmic True Parents of Heaven, Earth and Humanity Cheon Il Guk Book of Life Registration Blessing” Ceremony**

The “Cosmic True Parents of Heaven, Earth and Humanity Cheon Il Guk Book of Life Registration Blessing” Ceremony will take place at the Unification Sanctuary in Newfoundland, PA on Wednesday, February 28, 2018 at 10 am. All heterosexual couples, whether single or a couple, and whether they have been blessed previously or not, or participated in the Blessing to Return to True Father’s Authority or not, are invited to take place in this “perfection level” blessing.

The 3 Blessings include individual perfection (spiritual maturity), blessed marriage/family, and sovereignty. Wearing a crown is the symbol of the sovereignty and kingship of a blessed couple. Since to be a King means to have authority over life and death, the Kings and Queens of Cheon Il Guk must be able to wield that same power and authority. Having this kind of weapon is also symbolic of vigilance against threats to your Blessed family/lineage and also the substantial reality of being able to defend your family, community, nation and “Kingdom.”

For these reasons couples participating in the February 28 Cheon Il Guk Book of Life Registration Blessing are required to wear crowns and to bring a modern day “samurai sword,” an AR15 or AK design rifle (no ammunition).

*Then said he unto them, But now, he that hath a purse, let him take it, and likewise his scrip: and he that hath no sword, let him sell his garment, and buy one. Luke 22:36*

Those without an AR15 or AK design rifle will receive the Top of the Growth Stage Blessing. Later they can watch the video of the ceremony with their AR15 or AK design rifle to complete this as a Cheon Il Guk Book of Life Registration Blessing.

Unless you are a Sanctuary 2nd Gen couple or you are a 1st Gen couple who previously participated in the Sanctuary Blessing to Return to True Father’s Authority, after the 2.28 Blessing event you would need to do the 40 day separation, 3 Day Ceremony and other conditions related to being a First Generation couple. More information is posted at <http://sanctuary-pa.org/index.php/3-day-ceremony/>

**History and Significance of the Feb. 28 Blessing**

After the fall of the Han Mother, Hyung Jin Moon had to step into his role as the anointed representative and “Teshinja” (Resident Body) of the True Parent Sun Myung Moon for Cheon Il Guk to be established. The “Holy Blessing for Returning to True Father’s Authority” ceremony on 7/17/2015, 6th year of Cheon-gi (August 30, 2015 western calendar) marked the third anniversary of True Father/Rev. Sun Myung Moon’s Seonghwa memorial in 2012 and is the Foundation Day for the establishment of Cheon Il Guk. On 8.4, 8th year of the Cheon-gi (9.23.2017 in the western calendar) the Perfection Level Blessing of True Parents (to re-bless True Father) took place on the basis of the Foundation Day accomplished on 7/17/2015. On the bedrock of this Perfection Level Blessing of True Parents that took place on 9.23.2017, faithful brothers and sisters under True Father’s authority can receive the grace of participating on February 28, 2018 in the Cheon Il Guk Book of Life Registration Blessing which is the final, perfection level Blessing that True Father instructed all blessed couples to complete.
