*And he said, "There was a man who had two sons; and the younger of them said to his father, 'Father, give me the share of property that falls to me.' And he divided his living between them. Not many days later, the younger son gathered all he had and took his journey into a far country, and there he squandered his property in loose living. And when he had spent everything, a great famine arose in that country, and he began to be*

*in want. So he went and joined himself to one of the citizens of that country, who sent him into his fields to feed swine. And he would gladly have fed on the pods that the swine ate; and no one gave him anything. But when he came to himself he said, 'How many of my father's hired servants have bread enough and to spare, but I perish here with hunger! I will arise and go to my father, and I will say to him, "Father, I have sinned against heaven and before you; I am no longer worthy to be called your son; treat me as one of your hired servants."' And he arose and came to his father. But while he was yet at a distance, his father saw him and had compassion, and ran and embraced him and kissed him. And the son said to him, 'Father, I have sinned against heaven and before you; I am no longer worthy to be called your son.' But the father said to his servants, 'Bring quickly the best robe, and put it on him; and put a ring on his hand, and shoes on his feet; and bring the fatted calf and kill it, and let us eat and make merry; for this my son was dead, and is alive again; he was lost, and is found.' And they began to make merry. Luke 15: 11-24*

*Where is the True Father? Where did he originate? What is his origin? What? [Sun Myung Moon] You should not think like that. It is GOD! The origin of the concept of the True Father is eternal and unchanging. The concept existed before the Creation; it existed after the Creation. Even during the course of the age of indemnity, God worked hard not to lose his appearance as the True FATHER.*

*In terms of the standard of restoration through indemnity, the internal significance of establishing the KINGDOM OF THE TRUE PARENT, the kingdom of the TRUE TEACHER, and the kingdom of the TRUE KING, which God originally had envisioned, begins from the TRUE FATHER. You have to know that this is the central root ideology that transcends the course of history from God -- not me -- to the end of eternity. SMM, June 18, 2004*

Dear

On Sunday, like many fathers around the U.S, I was glad to hear from my children who called to wish me a happy Father's Day. This led me to reflect on the towering figure we call True Father Sun Myung Moon, whose impact on the entire world will only likely be understood in the decades and centuries to come.

Sadly, True Father is seldom mentioned much by the organization he established with his own blood, sweat and tears and most shockingly by his own wife and partner for 52 years. In the speeches the Han mother has given in recent years, she seldom even mentions his name. Last July at Madison Square Garden, she spoke about there being Jesus the Only Begotten Son and then herself the Only Begotten Daughter, without mentioning Father or his historic role as the 2nd Coming of Christ.

In that speech she spoke about the establishment of True Parents without mentioning who was the lucky groom. One could read the speech and surmise that she means Jesus and herself are the True Parents? Isn't that the essence of her new Sinless OBD theology?

I could write a lot more, but let me simply say "Happy True Father's Day" to Sun Myung Moon, who gave his life 24/7 for more than 7 decades to awaken Christians all over the world to heaven's will at the time of the 2nd Coming and to bring all of us into deeper fellowship with God! And of course, God Himself is the good father who sacrifices himself over and over and over again throughout history to save His lost sons and daughters, you and me.

In Sunday's 18th sermon on the Rod of Iron, Hyung Jin Nim discussed how in order to respect our free will, God refrains from interfering in our decisions, but He knows what each of us would do if we took different paths in our lives. As St. Paul in I Corinthians 2:8 explained, "**None of the rulers of this age**

understood it, for if they had, they would not have crucified the Lord of glory."

Kingdom of the Rod of Iron 18 - Rev. Hyung Jin Moon

Most churches teach his death and resurrection as Jesus' purpose for coming. They neglect to take seriously his Gospel of the Kingdom. Korean Christians created a series about the book of Revelation. Amazingly, these programs were calling the woman spoken about in Revelation 12, wrapped in the sun and the moon as "True Mother" Cham Aumonim! In September after the marriage of True Mother Kang and True Father, Hyung Jin Nim received the revelation of the rod of iron, which has been miraculously broadcast throughout the world!

The Rod of Iron is not just a message from Hyung Jin Nim, it comes from the words of Jesus recorded in the New Testament. Globalists and communists fear the rod of iron in the hands of citizens because it threatens their centralized, absolute control. [Rosa Parks](#), who is famous because she refused to move to the back of the bus, used to sit on the porch with her father who had a shotgun. Young Blacks, Hispanics, and Asians are attending the NRA convention in increasing numbers. They are waking up! Those who are not predators rejoice because they can defend themselves.
