Queen Esther in the Bible

For he is the minister of God to thee for good. But if thou do that which is evil, be afraid; for he beareth not the sword in vain: for he is the minister of God, a revenger to execute wrath upon him that doeth evil.
Romans 13:4

In the beginning of history, Eve fell because she did not become one with God. If she had obeyed God's commandment, even at the cost of her life, and walked the road of death gladly, the fall would not have occurred. Accordingly, today Unification Church women should pledge their lives, hold on to God, and march forward.

SMM, Blessing and Ideal Family, Chapter 5: "The Formula Course for Perfection"

Dear

In Sunday's service, Hyung Jin Nim discussed how True Mother Kang went through amazing trials, giving her life to Christ at a young age, meeting True Father at age 26, out of love sacrificially obeying his directions to go out to spread the Divine Principle over many decades, and then at the age of 89 responding to his call one more time. She exemplifies what Father meant when he spoke about the "Age of Women."

Sunday Service - March 17, 2019 - Rev. Hyung Jin Moon
Unification Sanctuary, Newfoundland PA

Her Seonghwa ceremony on 3/18 is also the Jewish holiday of purim, when Jewish people celebrate the victory of Queen Esther. True Mother came to Pennsylvania in Dec. 2016. She came here just knowing she could not betray True Father and had to support the 2nd King. She gave up her pension, her security and came here at age 89 totally on faith. The Family Federation was trying to stop her and even got the Korean police to track her phone. She left her phone in the South so they wouldn't find and stop her, and came north to catch a plane to the US.

After Father's passing, in the FFWPU, it was discouraged to mention the name of True Father. The February 23, 2018 Cosmic Blessing spread the name of True Father worldwide and declared a new identity for believers in Christ, the responsibility of a shepherd and of a king.

Satan will always go after the woman. True Father declared the "Age of Women" referring to women who will stand up for righteousness, for their families, and for unborn children. Not the same as a common type of women who are narcissists.

The Rod of Iron Ministries promotes women who are capable and dangerous towards evil. Several are speaking out by opening up their own youtube channels. There have been 320,000 views of one of the videos at the LionQueensTV channel and 12K subscribers in just 2 months. Responding to the Queen's "Incredible truth about feminism" video, a young woman wrote that she doesn't want to be alone when she's 40 and concluding, "I'm going to try to have a good marriage."

페미들의 불편한 진실: 여자 40대가 되면

Her co-hosts, Miki and Yeonun are Godly women shaking Korea. Most women are scared of public opinion, of being cursed. The hand of God is on our Queen! Because she is in the image of True Mother Kang, always giving glory to God. She has been training and preparing to defend her family because leftists always resort to violence.

True Mother Kang was selling air rifles in her 30s. She would heap praise and encouragement on Hyung Jin Nim and would pray for success of October 2019 festival. The Family Federation tried to stop True Mother Kang from coming to the USA. Saying, "He's crazy!" they tried to stop her from going to the King.

Cosmic Seonghwa of True Mother Hyun Shil Kang

She was the most qualified, but always in the background. She witnessed every day at the Pagoda Garden for 6 years. There is not one woman who is more qualified than she. Not one early disciple would stand up for True Father except for her. Leaving Korea, she lost everything, but gained the whole world. She chose to walk with God in His story. Not just as a spectator, but as a participant. But we must be careful not to worship her. She never claimed to be the savior, like the Han mother did. She never wanted that. She is the model of the loving object of Christ.

Sincerely,

Richard

The Life Course of True Mother Hyun Shil Kang

True Mother Kang Hyun Shil was born as a first child on September 15, 1927 by the solar calendar. Her father was religious with a strong sense of responsibility. When the Japanese took over Korea, they forced the Koreans to go to the Japanese Shinto shrines and worship their gods. But Kang Hyun Shil's father refused to do this; he was taken to prison and was tortured. He died of his injuries after being released.

In March 1949, she joined Beomcheon Presbyterian Church in Busan. Three years later, she heard of a controversial young man in Bomnekol. She began to pray to God to know if she should visit him. On May 10, 1952, she received an answer from God that she should go and visit him.

She went there and was surprised to see a small hut built of cardboard and mud. She thought that anyone living in that poor house must have resentment at having to live so miserably. There she found Mrs. Se Hyun Ok who introduced her to True Father for the first time. He was wearing Korean style pants and a western-style top with American army socks.

True Father asked her, "Where are you from?" She replied that she was from a nearby church, and that she came to witness to him about Christ. Father said that she came on a timely day as he had just finished writing a book after escaping from North Korea. This was the day that he finished writing the Divine Principle and he had gone up the hill to pray.

True Father asked her to listen to some of his words. He was talking in a booming voice and making large gestures as if speaking to a large group of people; Kang Hyun Shil was shocked at how powerful he could be. Then she understood that Father was giving the Word to the whole spiritual world.

For several days, she listened to True Father and realized that what this young man was saying was true. She was also deeply moved by a most sincere prayer he gave; she became the first disciple after Father came down from North Korea and wrote the Divine Principle.

On July 20, 1953, True Father gave Mrs. Kang the mission to pioneer Daegu City, which was a stronghold of Christianity. He told her, "Pioneering is not easy but if you believe and have faith in God, He will guide you and work through you."

"Do you know how to fight? I need warriors!"

David and Thelma Mutala with the 2nd King and Queen
Reported by Rev. Thelma Mutala

There was an enormous amount of unusual spiritual activity in our home. We could not understand what was really going on and why. However, I acknowledged that there was an unusual spirit that invaded our home. It was an intense worldly and spiritual war zone. It was a vile spirit that I never encountered before. It was a bold evil spirit that sought to devour one's soul. It was life and death at war with one another.

Then I heard a voice in the spirit saying, "Can you fight? "Do you know how to fight? I need warriors! I need to know if you can fight for the Kingdom. You must protect the blessing. This is the time to command and take authority."

During the course of this tremendous upheaval True Father appeared in my dream. His face penetrated through some sort of clear thin glass like film. True Father smiled at me as if to say, "don't worry, I am here, stay the course," and then he vanished.

Everyone, without exception, comes into this world and goes to the next world. The Four Great Saints ministers, elders, deacons and deaconesses. Also, PhDs, famous philosophers, and even artists all go to the next world.

The question is how we lived.

Have we lived a true life that is meaningful and worthwhile? This is the issue.

We must think deeply, even more deeply.

The Life Course of True Mother Hyun Shil Kang

True Mother Kang Hyun Shil was born as a first child on September 15, 1927 by the solar calendar. Her father was religious with a strong sense of responsibility. When the Japanese took over Korea, they forced the Koreans to go to the Japanese Shinto shrines and worship their gods. But Kang Hyun Shil's father refused to do this; he was taken to prison and was tortured. He died of his injuries after being released.

In March 1949, she joined Beomcheon Presbyterian Church in Busan. Three years later, she heard of a controversial young man in Bomnekol. She began to pray to God to know if she should visit him. On May 10, 1952, she received an answer from God that she should go and visit him.

She went there and was surprised to see a small hut built of cardboard and mud. She thought that anyone living in that poor house must have resentment at having to live so miserably. There she found Mrs. Se Hyun Ok who introduced her to True Father for the first time. He was wearing Korean style pants and a western-style top with American army socks.

True Father asked her, "Where are you from?" She replied that she was from a nearby church, and that she came to witness to him about Christ. Father said that she came on a timely day as he had just finished writing a book after escaping from North Korea. This was the day that he finished writing the Divine Principle and he had gone up the hill to pray.

True Father asked her to listen to some of his words. He was talking in a booming voice and making large gestures as if speaking to a large group of people; Kang Hyun Shil was shocked at how powerful he could be. Then she understood that Father was giving the Word to the whole spiritual world.

For several days, she listened to True Father and realized that what this young man was saying was true. She was also deeply moved by a most

sincere prayer he gave; she became the first disciple after Father came down from North Korea and wrote the Divine Principle.

On July 20, 1953, True Father gave Mrs. Kang the mission to pioneer Daegu City, which was a stronghold of Christianity. He told her, "Pioneering is not easy but if you believe and have faith in God, He will guide you and work through you."

In April 1954, True Mother Kang Hyun Shil was appointed as nationwide (South Korea) itinerant worker with the mission to visit spiritualists and Christian leaders. From then she went around and testified in 40-day conditions. In 1954, Korea was so poor that there was no room for anyone; so she had to ask people to let her stay in their homes, but God always provided!

On June 1956, Hyun Shil Kang pioneered the first church in Dae Jeon. In July 1957 she pioneered the first church in Kwangju.

Mrs. Kang met hundreds of women and shared True Father's message that that a new age, a new world was coming, and that the Lord of the Second Advent had arrived. One of the women listening was

very spiritual and later explained that she saw her sounding the archangel's trumpet, which signifies the coming of Christ.

Starting in 1959, for 7 years, True Mother Hyun Shil Kang witnessed every day in a park and reported to True Father on a daily basis. When she was witnessing some people received her message, but many were against her. Sometimes people came up to her, slapped her and assaulted her, but she still went out every day, whether rain or snow. Also, since she did not have government permission to speak there, the police harassed her.

True Father explained to her that she had to go outside to witness regardless of the weather conditions, because this was the frontline of the war between God and Satan. He told her, "Even if there is no one to witness to, you must still go and preach the Word, or walk around and pray." So she went to the park every day.

Then she had a mission to visit colleges and universities teaching young people about the dangers of communism.

Starting in 1971, she was assigned as a nationwide itinerant worker of the church to teach Christian audiences about the Word of the Messiah. Many Christians were deeply moved and testified that hearing those words that she shared from Jesus and True Father was like hearing God speak.

In December 1990, she was one of 12 people that True Father sent on a mission to Japan. From 1991 to 1996, she travelled to different countries.

In 1996, Mrs. Kang was appointed as National Messiah for the Russian Federation. She listened to their reports and started many activities in that nation. She said that Father prepared her for the Russian people. Sometimes she saw Jesus smiling; each time something good would happen.

In the year 2,000, Mrs. Kang was appointed as Federation Chairwoman for Seodaehyun - Mun, Seoul Korea.

True Father has spoken about True Mother Kang over 2,000 times and has said that she was the seed that the Unification Church needed and the mother of the Unification Church.

After True Father's passing to the spirit world, she prayed because she could not understand the words of the Han mother, whom she had always loved and respected, which were now so opposite to Father's words. In 2016 she decided to receive the Blessing to return to True Father's authority at the Unification Sanctuary; in March, she sent her resignation letter to the Family

Federation and came to the wilderness of Pennsylvania. In December 2016, she came to the Palace of the three Kingships to attend True Father's anointed heir and the Third King.

On September 23, 2017, True Mother Kang became the bride of the King of Kings True Father Sun Myung Moon, filling a position that

had been vacated by the fall of its previous occupant. In doing so, she fulfilled the providence of God to restore Eve at the completion level. She is the eternal True Mother of all humanity, the greatest among all women in history.

The victorious Seonghwa of the eternal True Mother of all humanity, Hyun Shil Kang, occurred at 5:41 pm, Eastern Standard Time, on the 10th Year of Cheon-gi, 1st month, 30th day (March 6, 2019).

True Mother passed peacefully in her room located in the Cheon Il Goong Palace, surrounded by Second King Hyung Jin Nim and Queen Yeon Ah Nim of Cheon Il Guk, Kook Jin Nim, Ji-yeh Nim and many others.

In her Bible that she always read and kept on her, a note was found with the date, 9/23, 11:10pm, where she wrote next to the scripture in John 21:

"It was because of me that Jesus was crucified on the cross."

This shows her spirit and heart that she had towards Jesus, taking no glory for herself. And then she wrote, *"thank you, Lord, for forgiving me!"*

Finally she wrote: **"I read this (scripture in John 21) weeping and crying, thinking of my savior and Lord!"**

Until her dying moment she was praising her Lord and Savior. Willing to become nothing in order to glorify God's victory! Taking no glory for herself. She is the heroine for all time, a true woman.

"Do You Know How To Fight? I Need Warriors!"

There was an enormous amount of unusual spiritual activity in our home. We could not understand what was really going on and why. However, I acknowledged that there was an unusual spirit that invaded our home. It was an intense worldly and spiritual war zone. It was a vile spirit that I never

encountered before. It was a bold evil spirit that sought to devour one's soul. It was life and death at war with one another.

Then I heard a voice in the spirit saying, "Can you fight? "Do you know how to fight? I need warriors! I need to know if you can fight for the Kingdom. You must protect the blessing. This is the time to command and take authority."

During the course of this tremendous upheaval True Father appeared in my dream. His face penetrated through some sort of clear thin glass like film. True Father smiled at me as if to say, "don't worry, I am here, stay the course," and then he vanished.

This spiritual war zone occurred during True Mother Kang's transitioning timeframe. It seems as though she went through a violent spiritual world to take her rightful place with our True Father.

We wrestle not against flesh and blood but against principalities, against powers, against rulers of the darkness of this world, against spiritual wickedness in high places. Wherefore put on the full armour of God, that ye may withstand the evil day and having done all to stand. Eph 6:12-13

Well, I can testify that our True Mother has made it through the dark into the light. It is finished.

The dates were between February 4 to March 6, 2019.

May the will of the Most High God be done. Our prayers go out to the 2nd King & Queen, Kook Jin Nim's family and all our families near and far.

Blessings,

Thelma (Kiladi) Mutala Family

Addendum: A certain peace came over me after this dream. Our Heavenly Father and True

Father's spirit is navigating us safely through the complex and fierce forces in this world.

I gather from my testimony and dream that the Kingdom of God must be taken away from Satan, we do not need to ask for permission. Satan and his minions have no intentions of being subjugated by God. This is a very serious matter that we must be cognizant of. We are either going to stand with God's Authority (Word of God/Eight Great textbooks) or surrender to Satan's manipulations/tactics. We cannot serve two masters!
