Then Abijah stood on Mount Zemaraim, which is in the mountains of Ephraim, and said, "Hear me, Jeroboam and all Israel: Should you not know that the Lord God of Israel gave the dominion over Israel to David forever, to him and his sons, by a covenant of salt? Yet Jeroboam the son of Nebat, the servant of Solomon the son of David, rose up and rebelled against his lord. 2 Chronicles 13:4-6

Human beings were to observe, administer and lead the universe from a lofty and exalted position. They were not to be dragged around and made to obey. Your mind, a liberated mind is like that. No one wants to be controlled. This is equally true for everybody.

Once you acquire the position of true love, you can go freely to God's position and to His throne in the heavenly nation. You can become God's friend. God created humankind for the sake of love. Therefore, since God is eternal and absolute, human beings have eternal life themselves. We automatically come to this logic. For this reason, true love is eternal. To attain eternal life, you must live in that realm of true love. CSG 572

Since Hyung Jin Nim was attending the NRA convention in Indianapolis, International Director of Missions, Tim Elder, gave the Sunday Service message. In his sermon Tim discussed how Father established the 8 Unification Church holy days plus his Seonghwa and Foundation Day, so ten holidays. These are devoid of pagan influence.

In July 2017 during the OSDP workshop in Pennsylvania, Rev. Yu's reported that Champumo or "True Parent" is the title that God gave to Sun Myung Moon. Hak Ja Han actually claims that because Sun Myung Moon had to suffer, he was not the Messiah. Because she was God's daughter, He did not want her to suffer.

We need to understand our parents' heart to inherit the tradition. This is only possible when we are older. The first holy day was established in 1962 (1961 lunar calendar) but said to take place in 1960 (1961 solar) at the Holy Wedding of True Parents, but that was conditional. The perfection level blessing with Hak Ja Han that had been scheduled for 2012 was canceled by True Father and then never took place with her since Father passed away in September.

True Parent's day was actually established at the perfection level Cosmic Book of Life Registration blessing of True Father and Hyun Shil Kang in 2017! That is something that the whole universe can celebrate after 6,000 years, fulfilling God's deepest desire!

God works through one central point and lineage, not two. We all search for love, but it comes only through the True Parents, who are now forever established.

Then Tim discussed the importance of establishing God's central nation. Tim shared about attending a workshop at Cheju Island in 2,000. True Father emphasized the necessity of establishing a central providential nation, not a "spiritual" nation. Some accuse him of being a "dirtist" but he stands by his belief that True Father wanted "lines on a map."

Once a nation that lives by the standard of freedom that will not be accused by the satanic world and represent "heaven, earth and humanity" God can work to change the world.

Each of us represents something much larger. True Father said that, "in the past we attended the True Parents in sorrow and pain, but from now we will attend in joy and freedom." This is the day that God has been looking forward to, but it must be observed in our families, clans, nation, world and cosmos. Also, other holy days, True Children's Day, Day of All True Things and True God's Day must be established on all those levels. It is our mission to spread these holy days so that all humanity celebrates them.

True Father had to discover the truth. It was not given to him. Neither did Adam and Eve receive the truth, which is why God had to give them the commandment.

This shows the necessity for a growing period, which is why it is so absurd for Hak Ja Han to claim that she understood the truth from birth. True Father had to experience God's sorrow and pain in order to understand God's heart. That is why each of us must also go through times of great difficulties.

After the sermon, Gregg Noll explained that Tim Elder will be giving a 7 day OSDP workshop during the summer, date to be decided. Gregg also reported about the creation of the True Parents' Memorial on the Kahr Arms property and about Hyung Jin Nim's signing of the Rod of Iron Kingdom books at the NRA convention. The three cases of books were quickly taken by attendees visiting the Kahr Arms booth! Finally Gregg spoke about the Rod of Iron Freedom Festival taking place in October, see the graphic and website below!
